Huntingdon Township Garage Officially Opened

It was with great pride that Mr. George Wood, Reeve of Huntingdon Township, welcomed the large crowd present for the official opening of the new municipal garage at Ivanhoe on Friday evening, June 1st.

Platform guests, introduced at the beginning of the program were Deputy Reeve, Harold Thompson, and Councillors Ted Pollock, Art Miller and Glenn Franks. Among those in the crowd introduced were Mrs. Dorothy Thompson, Clerk-Treasurer, and Mr. Ken Tompkins, Road Superintendent.

The program was held inside the new building, where Mr. Wood related a little background information on the project. The \$47,000 building was designed by R. M. Kostuch Associates Ltd., constructed by Weiger de Jong Construction of Stirling, and paid for by the ratepayers, with the assistance of a provincial government subsidy. Instigators of the project were the former council, consisting of Reeve Russell Sills, Deputy Reeve George Wood, and Councillors Mac Saries, John Wuite, and Harold Thompson (who is still on the Council) and also Francis Thompson, for part of a term.

In presenting a plaque to be erected on the front of the building, a representative of R. M. Kostuch Associates, Mr. Wilson, expressed the appreciation of his company for the opportunity of working with the municipality and commended the Kingston Region of the Ministry of Transportation and Communications on their co-operation. In concluding, he congratulated Council on the type of building they had selected and wished them many long years of service from it.

Mr. Reg. Little of Cambridge, representing Valley Blades Limited, presented a large electric clock to the Township, and expressed congratulations to the Township on the opening of their new garage.

Allied Chemica, the Company which supplies calcium chloride for dust control on the roads, was represented by Mr. Herb Parkinson. As a salesman,

Mr. Parkinson said he can truly appreciate the heated garage when he makes his regular calls during the winter, "a beautiful building like this makes my job much more enjoyable".

Mr. Neal Quinn of Fawcett Metals gave a congratulatory message and explained that the Company he represents supplies steel culverts and highway traffic signs to road projects. He agreed wholeheartedly with the statement made by Mr. Parkinson, that the heated building is going to make his visits to the municipality that much more enjoyable in the winter.

As keynote speaker, Mr. Clarke T. Rollins, M.P.P. Hastings, expressed his pleasure at being present on such an important occasion for Huntingdon Township and at seeing so much interest by the people.

"The large attendance indicates what it (the project) means to the people of Huntingdon and I am happy as your Provincial Member, to have a part in the program," He said the people of Hastings County are proud people — they like their independence. Mr. Rollins reassured the people that he is against regional government. "The County has the ability to legislate adequately," he said. In commenting that the people of the County all work together, he added, "The County will thrive on this unity." "May it remain the County of Hastings for many years to come." The speaker also commented on the hard workers the members of Huntingdon Township council are, saying that many nights he has been passing through at a late hour and noticed the meeting still going on.

He concluded by declaring the new Municipal Garage of Huntingdon Township officially open. Everyone ambled over to the Township Hall, where they enjoyed dancing to the music of John Murphy's Orchestra and a lovely lunch provided by the Township.

Reeve George Wood extended appreciation to the crowd for their attendance at the event.

Shriner Roy Burris poses with some of his guests at the Peterborough Shrine Circus last week.

Bridgewater Students Entertained At Circus Show

Two members of the Peterborough Shrine Club, Mr. Ray Burris of Madoc, and Mr. Clarke T. Rollins, M.P.P. Hastings (of L'Amable) entertained 26 students and the staff of Bridgewater School to a day in the city of Peterborough last Tuesday.

The trip was highlighted with a visit to the Shrine Circus.

The party left here around nine-thirty that morning and drove directly to the city's zoo and park, where they toured the grounds talking to the various animals. They were then treated to chicken dinners by their hosts.

50-YEAR JEWEL PRESENTED TO MRS. IDA HENLEY, MILLBRIDGE

Over 50 years of dedicated service to her lodge was recognized on Saturday evening, May 26th, when Mrs. Ida Henley of Millbridge was presented with her 50-year jewel by members of Ruth Lodge No. 409, Millbridge.

Mrs. Henley was a Charter member of Ruth Lodge when it was instituted on October 12th, 1921, and in 1924 served as Worshipful Mistress. She has been treasurer of Lodge since 1949, after serving in various offices throughout the year. Mrs. Henley is the only active Charter member of Lodge remaining and has always been a dedicated worker within the organizations. Mrs. Bernice McCaw read the following address and Mrs. Violet Reid, Worshipful Mistress presented Mrs. Henley with her 50 year membership pin.

Immediately after lunch, the group proceeded to the arena, where they were given ringside seats for the two-hour circus.

A very rewarding sight for the hosts was the delighted expressions on the students' faces as they watched the performing monkeys, the dogs, the elephants, the tightrope walkers, the acrobats, and all that the best of circuses offer. A circus is not a "circus without the traditional cotton candy and a cool soda pop to wash it down — both of which Mr. Burris saw to it that each of the students received.

This is the thirteenth year for the Shrine Circus in Peterborough. It is owned and operated by a Shriner and all proceeds from the shows go toward crippled children.

Mr. Harold Thompson, Deputy

Madoc and District C Of C Hold Regular Meeting

There were 18 members present at last Tuesday evening's general meeting of the Madoc and District Chamber of Commerce.

The minutes of the General Meeting of April 24th and the Executive Meeting of the same date were read, and on motion of M. Goulah, seconded by R.

Blinch, were adopted as read.

It was reported that Clayton Smith went to Upper Canada Village and picked up some good, dry pine lumber for the booth siding. Because the lumber was not of uniform thickness, it was suggested that it all be planed to uniform thickness. It was left to the building Committee to decide whether to plane the lumber or to use it as it is.

It was decided to have a Bee on Thursday evening at 7:00 p.m. to put on the inside lining of the booth. Inside arrangements of displays are to be finalized at the Bee.

There was a long discussion re the staffing of the Booth. The matter of applying to the Ministry of Industry and Tourism for a grant was discussed.

Ross Clark and Bob Hawley were appointed to the Ways & Means Committee for making money on the July 1st weekend. A Bar-Fest was discussed.

The meeting was reminded of the joint "Spring Ladies Night" with Kiwanis at 7:00 p.m. on June 18th.

The Department of Transportation & Communication is to put up "Business Section" signs. The meeting was adjourned at the East & West ends of the town.

at 9:30 p.m., at which time Bob Hawley thanked the Chamber, on behalf of himself and wife, for the flowers sent by the Chamber when they took over the Pro Hardware business.

BIRTH

SHERROW — To Don and Marilyn, R.R. 1, Corbyville, a son, on Monday, June 4th, 1973, at the Belleville General Hospital, weight 9 lbs., 12 oz., a brother for Cindy and Gloria.

Howard Chard of R.R. 5, Madoc, Ontario, last Wednesday, May 31st 1973 was voted into the Canadian Boxing Hall of Fame. Howard won the last professional White Hope Heavyweight Boxing Championship at the Coliseum C.N.E., January 13th, 1947. He boxed 39 pro fights winning 26. He was never beaten by any Canadian Pro Boxer. He also defeated James J. Parker in a 48 minute bare knuckle contest in Toronto in 1962.

LOCAL GARAGE SOLD AFTER 37 YEARS

After 37 years operation under the same owner, a local business has changed hands.

The large workshop garage, car sales and outdoor business on Russell Street, owned and operated since 1936, by Charlie Derry, has been sold to Mr. Bert Jones of Stirling.

Mr. Jones, who took over the business last Friday, June 1st, is familiar with the garage-operating business, having formerly owned Bert Jones Ltd. Bus Sales on Highway 14 at Stirling before coming here. His business was burned out earlier this spring.

Mr. Jones and his wife have five sons, one of whom (Danny) has been working in the parts department at Derry's garage for the past few weeks. They are planning to move to Madoc in the near future.

Most of Mr. Derry's staff at the garage will remain employed under Mr. Jones, although he may add some of his men from Stirling to the staff.

The new owner has taken over the entire business, including the workshop, the outdoor sales and the G.M. franchise for car sales.

However, it may be some time yet before Mr. Derry completely retires from the business. He is setting up an office on North Durham Street here

to finish up the books until the year-end, which will be in the early fall.

Mr. Derry told the Review that he is confident that the people of the Madoc area will give his successor the same good support he has received during his many years in business, and expressed a sincere wish for every success for Mr. Jones.

JACK RIDDELL TO SPEAK AT MEETING

Jack Riddell, Liberal M.P.P. whose by-election victory on March 15th ended over thirty years of Conservative control of the rural riding of Huron will be visiting Hastings County on June 13th. He will address the Annual Meeting of the Hastings Provincial Liberal Association to be held at the Tweed-Hungerford Public School in Tweed at 8:00 p.m.

Charles Bates, Riding President, says that Liberals across the province are experiencing a renewed optimism following the two decisive by-election wins and widespread public opposition to recent government legislation, such as the sales tax increase and the proposed energy tax.

CAMPSITE TO OPEN ON PRIVATE LAKE

A family enterprise on a private lake south of here will be opened this summer.

Known as Campkin's Camp Inn, it will be in the form of a from fishing and swimming in camping grounds offering a variety of outdoor activities, an unpolluted lake to horse-back riding.

Owners of the business undertaking are James and Betty Campkin and their sons, Steve 19, and Scott 15, who resided at Pickering previous to moving here. Mr. Campkin was in the building business when he was in Pickering.

The camping grounds is located on the property formerly owned by Joe Simon. The land almost completely surrounds a 75-acre lake, called Snake Lake. Mr. Campkin says the lake is clean and has a good supply of Bass and Pike. A very pollution-conscious man, he said he will do everything possible to keep the lake clean — and one of the first moves in this direction will be not to allow any motors onto the lake.

Mr. Campkin said this is not a modern camp and he intends to keep it that way to attract campers who love the outdoors for what it is. In fact, he has a slogan to emphasize the theme, "Why try to improve on nature — camp in a natural setting." Among the facilities at the campsite are modern washrooms complete with showers. He said that for this, the first summer, he will have six ponies for riding, and if the demand is great enough, he will put some horses in the stables another year. There will be swimming in the lake this year, but future plans call for the

installation of a pool. There will be a small store on the grounds, to handle camping supplies, (including black fly and mosquito repellent) and groceries.

Approval for the campsite has been received from the County Health Unit and from the Township of Huntingdon.

The grounds, which are scheduled to open on July 1st, are located 1 1/2 mile off Highway 62 on the Quin-Mo-Lac Road.

The Campkin family moved here about one month ago and already they feel right at home. They are anxious to become a part of the community and to meet their neighbours.

Mr. Campkin is busy looking into the possibility of having signs erected on Highways 62, 7 and 401 to attract tourists to this area, and as well is working on brochures and newspaper advertisements.

Miss Elizabeth Joan Brownson, daughter of Mr. and Mrs. Roy Brownson, Madoc, received her B. Sc. degree from Victoria College, University of Toronto, graduating with a standing in a four year honour course. Having majored in Actuarial Mathematics, she has accepted a position with Excelsior Life Insurance Company, Toronto, in their Individual Actuarial Department. In the fall, she will be continuing her studies toward her Actuarial Fellowship. Miss Brownson is a graduate of Centre Hastings Secondary School, Madoc.

On June 4th, her family and friends attended the Graduation Exercises at Convocation Hall and the garden party which followed.

EYE CARE ON WHEELS A TEAM EFFORT

Educating the public to take care of its eyes is slow work. Just ask the CNIB mobile eye care team.

"Over six Canadians of all ages lose their sight every day as a result of accident or disease," says Mary Morgan, coordinator of the van and a CNIB eye service nurse. "Our staff sees 125 persons weekly for complete eye examinations and based on statistics 73.5 per cent of these people have eye problems.

"We don't know what causes most of the eye diseases which lead to blindness, but we do know how their damage can be stopped," she said.

And that is why the prevention team is visiting the rural areas of Ontario — to discover vision defects early before permanent eye damage happens and to teach people how to take care of their eyes.

The CNIB Ontario division, Prevention of Blindness and Eye Service Department with

the support of the Section of Ophthalmology of the Ontario Medical Association, coordinates the unit's operation and works with the local CNIB district administrators and service clubs.

"The staff includes ophthalmologists who have volunteered their services for one-or-two weeks," says Miss Morgan. Trained CNIB personnel under her direction manage the daily program in each community.

The van, Ontario's first, was donated in 1971 by the Physicians Services Incorporated Foundation (PSIF), a granting agency incorporated by the physicians of Ontario to utilize the reserves remaining after PSIF retired from the health insurance field. Last year 2,360 patients from 19 communities were given complete eye examinations.

Sponsored by the Land O' Lakes Lions Club, Cloyne, the Ontario Mobile Eye Care Unit will visit Northbrook Medical Centre. Telephone 336-8855

Dear Sister Ida:

This is a very happy occasion for us tonight, as we honour you. Over 50 years have gone by since Ruth Lodge 409 was instituted and you were a Charter Member. Only a few remain of that group that laid the foundation of our Lodge. You have faithfully served it, first as Worshipful Mistress in 1924, many, many offices throughout the years, and since 1949 — 24 years ago, you have been treasurer. You have been a faithful participant in our parades; in our social functions, and scores of pies, cakes and sandwiches you've fixed for your beloved order. We could always count on your assistance, from the times you and Walter brought the kindling to start the fires, to serving at banquets or cleaning up afterwards. You were always there to fill in if an officer was absent. All we can say is, "Well done, thy good and faithful servant."

"With all our fondest wishes Here's a little gift for you. That as you proudly wear it Good health will be with you. May the happy times with friends and family, Continue along your way."

Madoc, Ontario,
May 26th, 1973.

**IT TAKES A WATERGATE
TO CLEAR THE AIR**

(By Bill Smiley)

As I write, the Watergate hearings are in progress and that word is entering the language as a synonym for scandal and skulduggery.

Canadians are having a whole of a time doing what they like very much, — looking down their spotless noses at the Yanks.

I guess we've forgotten our great home-grown scandals involving Canadian governments, both provincial and federal. Some of the fantastic rip-offs made by such outfits as our railways and the Hudson Bay Company make the Watergate look like peanuts.

And then there was the Beaudry affair, a piece of piracy that made many a Canadian politician feel like looking for a hole to crawl into.

And let's not forget the Duplessis era in Quebec, where votes were bought and sold like potatoes, ballot boxes stuffed, and strong-arm tactics used at election time.

Nope. We can't afford to look down our noses at anybody. All we can or should do is shake our heads and remember, "There, but for the grace of God..."

Of course, Watergate is somewhat different in that it's involved the use of police state tactics in pursuit of unbridled political power. That distinguishes it from traditional political corruption which has usually been motivated by a love of "booze, broads and bucks".

Perhaps the saddest aspect of the Watergate affair is that nobody is spilling the beans because of conscience or lofty principles.

They are telling all because they are on the hot seat. It's every man for himself as those involved try to save their own necks. A bunch of flimsy scrambling for safety.

At the same time, one must admire the U.S. process of probing for the truth, regardless of who gets hurt. I wouldn't want to be up in front of those tough senators for anything more serious than spitting on the sidewalk.

How would Canada handle such a situation? Well, first the government would appoint a Royal Commission, which would investigate in near-secrecy. The

Commission would require three years to complete its job, by which time nobody would be interested. It would then publish its report, which would be almost unreadable.

A few weary editorials would be written; a few professors who could waste through the Commission Report would make speeches and the whole thing would then be buried.

As a good many observers have pointed out, the Watergate airing of soiled linen may be the best thing that has happened to the U.S. democratic system in generations.

When you are constipated, you take a purge. When you've swallowed poison and want to throw up, you take an emetic. Perhaps the Watergate will serve as both.

Regardless of how many heads will get the chop, and to whom those heads belong, it is comforting to know that our great neighbour will heal itself, spew out the poison or cut out the cancer, and get back to work.

And it will. It has survived Senator Joe McCarthy's witch-hunts, the lying about spying on Russia, the Bay of Pigs fiasco, and many another, not to mention a disgusting and disastrous war in Asia.

It is also comforting to know that there are still countries in the world where powerful public figures can be brought to account. It couldn't happen in Russia or China. And it wouldn't happen in many a so-called democracy.

On the other hand, the average Joe in the States must be becoming a little sceptical, to say the least. He has been lied to and lied to. He must be wondering whether he can believe anybody any more. I know I would be.

There's nothing new in powerful leaders lying to the people they are leading. Hitler lied to the Germans, Mussolini to the Italians, Stalin to the Russians.

Unfortunately, their lies were not discovered by their peoples until the damages had been done and the world was staggering back from the holocaust they unleashed.

This time the truth is coming out, haltingly, so that the damage to a nation and a nation's pride may be halted before it becomes irreparable. Let's hope so.

And let's hope the Americans come out of the sordid little ready to get back to the real mess, smelling of violets and problems they must solve: inflation, pollution, integration. They're great solvers of problems, and they have great problems to solve.

In the meantime, it behooves us in Canada not to sneer and point the finger.

Let's pretend our neighbours are having a domestic quarrel which is none of our business. Let's cultivate our own garden. It needs it.

S.W.E.E.P. PROGRAM 1973

Project S.W.E.E.P. will be operating again this summer in the Moira River Conservation Authority.

S.W.E.E.P. (Students Working in an Environmental Enhancement Program) is sponsored by the Ontario government in co-operation with the Ministry of Natural Resources and its conservation authorities. The purpose of the program is to provide secondary and post-secondary school students with employment involving both manual labour and technical tasks related to environmental enhancement and improvement.

The program within the Moira River Authority has changed greatly since its inception three summers ago, when litter pickup, roadside cleanup and general maintenance constituted the bulk of the program. This summer twenty-one students, with a budget triple that of last year, will be engaged in seven major projects.

Three technical advisors will be employed in a conservation area assessment and development project. Basically their study will undertake an inventory of the existing facilities in the three major conservation areas of the Moira Watershed: The Colonel Roscoe Vanderwater Park, The Price Conservation Area and The O'Hara's Mill Conservation Area. Maps will be produced to show the present site amenities, boundaries and situational advantages and disadvantages of the three conservation areas. The mapping will be accomplished through field surveying and the use of aerial photographs and existing topographical maps. The inventory and mapping of present amenities will be utilized as a tool for the derivation of a comprehensive plan for the development of these areas in the future. Thus the emphasis in the project will be placed on the gathering of information which will provide a focus for future development. The plan for future development will be guided by a survey of park users which will be undertaken at each of the three areas. This survey will hopefully point to the area strength and problems, and should indicate the characteristics of the population which is serviced by these areas.

The development plan will provide a set of goals and guidelines which will serve as a basic philosophy for future conservation area planning and development. Recommendations will also be made with respect to possible land acquisition and the construction of new facilities.

The O'Hara Mill Conservation Area will see its level and type of services improved by the work of two technical advisors and two labourers. These students will undertake a comprehensive cataloging of the many artifacts at the O'Hara House, school and carpenter shop. Pioneer craft displays and tours during June for public school students, as well as public weekend tours will be conducted by these students. An old-fashioned herb and vegetable garden, and colourful flower beds are also planned. Newspaper reports, radio broadcasts and pamphlets will be produced for the area. The S.W.E.E.P. students will be responsible for the continuing maintenance of the area and its facilities, as well as assisting in the general day-to-day operation of the park.

A pollution study of Stoe and Moira Lakes will be conducted under the S.W.E.E.P. program. An extensive survey of the physical and chemical parameters affecting the quality of the water of these lakes will be undertaken by two technical advisors. This study will attempt to quantify and qualify the problem of the deteriorating quality of water in these two bodies of water with respect to the two kinds of parameters and will also examine the impact of certain pollutants upon the flora and fauna in the aquatic environments. This survey will be carried out by sampling the water of these two lakes and then analyzing them for their concentrations of oxygen, carbon dioxide, chlorophyll phosphates, arsenic nitrates and other chemical elements and compounds. Bottom samples will be taken and analyzed and water temperature recorded. A transect across the lake will be sampled for the various types of aquatic vegetation.

The data collected in the field work will be used to describe the condition of the water and should be of use in the evaluation of the newly constructed sewage facilities in the villages of Tweed and Madoc.

The report is to be made available to public and private agencies and will be of use in establishing pollution control policies.

Another one of our projects deals with conservation area development and maintenance. Three students supplied with a Ford pickup will be concerned with maintenance and development work within the Authority's conservation areas. Maintenance will be supplemental to that done by regular Authority personnel and development work will involve clearing of newly acquired properties and completion of a work shed started under the Winter Works program. Also as part of this project, the students will be acting as gate-keepers and checking in campers.

Due to many inquiries concerning canoeing with the Moira River Authority, the S.W.E.E.P. program is undertaking a canoe route development project. Here, one technical advisor and two labourers will be involved in a comprehensive survey on the Moira, Black and Skootamatta Rivers. This project will require the actual canoeing of the rivers, and the determination of the portages with respect to their location and length. The students will also be required to obtain landowners permission to cut portages on property not owned by the Authority. The route will be canoeed twice to determine if any further portages are required during the low water periods in the late summer. Accurate mapping of the route and portages will be done for the development of a brochure for the Moira River Conservation Authority.

Under the S.W.E.E.P. program, a public relations officer will also be employed. This student will be engaged in general publicity of the S.W.E.E.P. program and Authority program. Setting up of displays and exhibits for the Quinte Rose Festival are other duties of the officer — as is compiling a detailed illustrated report of our complete S.W.E.E.P. program. In addition, the officer will compile a slide library and give up to date reports as to the progress of the S.W.E.E.P. projects to both medias of radio and local newspapers.

It is hoped that, through the collective efforts of the S.W.E.E.P. employees and with the new position of Public Relations officer acting as a liaison, the general public will be informed as to the activities of the S.W.E.E.P. program and support the work of the Moira River Conservation Authority.

Another project that we feel will be very important, is a co-operative program with the 17 municipalities within the Moira Watershed. This project will provide a foreman and two labourers equipped with a Ford pickup truck for the use of the municipalities. Therefore, the municipality need only to supply the project while S.W.E.E.P. will supply the labour for the project. Such possible projects are municipal park development and maintenance, stream improvement, and roadside cleanup.

Under the S.W.E.E.P. program, a public relations officer will also be employed. This student will be engaged in general publicity of the S.W.E.E.P. program and Authority program. Setting up of displays and exhibits for the Quinte Rose Festival are other duties of the officer — as is compiling a detailed illustrated report of our complete S.W.E.E.P. program. In addition, the officer will compile a slide library and give up to date reports as to the progress of the S.W.E.E.P. projects to both medias of radio and local newspapers.

**MEET YOUR
O.P.P. OFFICER**

Prov. Const. W. E. SAWKINS

Provincial Constable W. E. (Walt) Sawkins joined the Ontario Provincial Police in November 1967. After attending an orientation course in Toronto, Walt was posted at Madoc Detachment. In 1968 he was a graduate of the Law Enforcement course at Ontario Police College in Aylmer. Walt was born in Brantford, Ontario, where he received his elementary and secondary education.

Prior to joining the force he spent five years in the Canadian Armed Forces serving at Gagetown, New Brunswick and Shilo, Manitoba. Walt is married and has two children. He is a member of the Madoc Branch of the Royal Canadian Legion. Among his interests are golf, curling and snowmobiling.

KALADAR

Kaladar has organized their Rod & Gun Club again. They had a chicken shoot at the gun range on Saturday. The chickens were won by Jim McDermott of Kaladar, Clare Benn of Kaladar, Doug Toker of Fernleigh, Keith Wilson, Ford Vanessa of Kaladar and Floyd Marriett of Flinton.

Kaladar Community Club held their regular monthly meeting last Tuesday. Carol McDermott resigned as secretary and Glenda Bence took over the position. After the meeting a lunch was served by Kathleen York and Evelyn Tryon. It was decided to have a Bake Sale and Parcel Post in the School on the 29th of June.

Parham played Kaladar Men's ball team in Kaladar Saturday

night. Parham won 4-3. Kaladar played Tichborne in Parham on Sunday. Tichborne won 11-5. Come on, Kaladar, get in the game.

Kaladar Community Club will be holding Euchre every Thursday night. The highest score winners for the season were Clarence Tryon and Mabel Hayes of Kaladar. They each won a trophy.

The Kaladar Men's ball team will be holding Euchre every Thursday night in Kaladar Community Hall for the month of June. They are trying to raise money for the ball team.

CLASSIFIEDS

FOR QUICK RESULTS!

**This is the time of year for
Drownings**

A free course will be offered by City Ambulance Service to anyone interested in learning the techniques of artificial respiration. As well as two informative films, there will be a practical session with teaching aids. A third film, "Safe Handling of Diving Injuries" will be shown. Length of course is about three hours.

CALL 473-2371 FOR FURTHER INFORMATION.

ENGAGEMENTS

Mr. and Mrs. Peter A. Bergeron, Tweed, Ontario, wish to announce the engagement of their eldest daughter, Wendy Carol, to Mr. Donald Edward Gordon, son of Mr. and Mrs. Roy Gordon, Queensboro.

The wedding to take place Saturday, August 11th, at St. Andrew's United Church, Queensboro, at two o'clock.

Mr. and Mrs. Joseph Foley, R.R. 1, Madoc, announce the engagement of their daughter, Barbara Jean, to Mr. Gary Joseph Rivers, son of Mr. and Mrs. Ronald Rivers, R.R. 1, Tweed, Ontario.

The wedding to take place at Sacred Heart Church, Madoc, on Saturday, June 30, 1973 at 3:30 p.m.

CARDS OF THANKS

We wish to thank the friends and neighbours of Madoc and area for their expressions of sympathy and other kindnesses before and during the recent bereavement of our mother, Mrs. Laura Emma Baalim, resident of Madoc for 35 years.

Also we wish to extend special thanks to Pastor Hart and Capt. Thompson for the words of comfort they brought to all concerned.

The L. Baalim family.

The family of the late Vincent Lavender expresses a sincere "Thank you" to our relatives, friends, neighbours, and the members of K-Line Maintenance and Public Utilities Commission of Scarborough for their many acts of kindness, floral tributes, mass cards and expressions of sympathy during the recent bereavement of a dear husband, father, son and brother. We especially thank the MacKenzie Funeral Home for their kind and efficient service, and Father Murphy for his prayers and consoling message during the funeral mass. The Emergency Department of Belleville General Hospital, the Neurological Department of Kingston General Hospital, and ambulance drivers will be remembered for their quick and competent care during his brief illness. We cannot be truly thankful enough to all of you for helping to share our sorrow.

The Lavender Family.

I would like to express my sincere thanks to Dr. Birchard, Dr. Rackham, the nurses on the fifth floor for their kindnesses, and all my friends and neighbours who sent cards and flowers and visited me while I was a patient in the Belleville Hospital.

Joyce Willemsen.

I would like to thank my friends, neighbours and relatives for their cards, flowers and visits while I was a patient in Belleville General Hospital. Also a special thanks to the doctors and to the nurses and staff on 4th level for their wonderful care.

Iva Baker.

IN MEMORIAM

DONALDSON - In loving memory of a dear husband and father, Charles Edwin Donaldson, who passed away June 8th, 1971.

God saw you were getting tired. When a cure was not to be So he closed his arms around you

And whispered come to me. You didn't deserve what you went through

And so he gave you rest God's garden must be beautiful For he only takes the best.

Always remembered by wife and family.

DEATH

DEVOLIN - May 23rd, 1973, William Morrison Devolin, aged 72 years, beloved husband of Mrs. Elizabeth Devolin of 434 17 Ave. S.E., Calgary, Alberta. Deceased was born in Madoc, May 27th, 1900. Bailey - that council adjourn to the call of the reeve.

Eva L. Brownson, Clerk - Treasurer.

FRIENDLY HINTS

THE NEXT STEP IN FERTILIZING CORN & FORAGES

Corn seeding is late in many areas of the province, so we may be a little early with a recommendation to provide supplemental nitrogen. But corn growers should be planning for it now and ordering their needs soon if the rush for other fertilizers this past two weeks means anything.

The lowest corn nitrogen per acre is aqua and anhydrous ammonia as a side dressing for corn. Supplies will be plentiful of these products at your co-op, but if you are renting applicators, Aqua applicator knives only penetrate 3-4 inches into the soil as compared to 8" penetration by anhydrous applicator knives. The advantage, of course, is in lower root damage by aqua applicators.

The side dressing can give corn a real boost, particularly if you weren't able to do a pre-seeding application of nitrogen on your corn ground.

Your hay fields and pastures will likely need top dressing for that extra yield you'll want this summer, with protein supplements for feed so high in price.

If your hay stand has up to 25 per cent legumes, you could apply straight nitrogen after the first cut is off. Sandy soils may need a fertilizer with some extra potash also.

Hay and pasture stands with higher than 25 per cent legumes need far less nitrogen, and more phosphates and potash. Alfalfa in particular is a heavy potash user. Again soil composition will have some bearing also.

Be sure to call your Co-op fieldman for crop management assistance.

Francis Tobin, Secretary.

THE HASTINGS COUNTY BOARD OF EDUCATION

A regular meeting of The Hastings County Board of Education was held in the Frankford Public School, Frankford, at 7:30 p.m., Monday evening, May 28th, 1973, with 15 members present.

Trustee Raymond Rowe, on behalf of the Board, welcomed visitors from Frankford and district to the meeting and expressed appreciation to the Board, on behalf of the community, for the fine addition to the Frankford Public School.

Mr. Ronald Denyes, Principal of the Frankford Public School, welcomed the members of the board and others to the school and invited them to tour the various areas and to see the fine facilities provided in the new wing.

Mrs. M. Graham - D. Thrush - that the Minutes of the regular meeting of May 14th, 1973, be approved as presented.

D. Williams - Mrs. J. Hutchison - that the Board of Education sponsor a reception to be held on Wednesday, June 27, 1973, in Centennial Secondary School, for the purpose of honouring its teachers and principals who are retiring from the teaching profession at the end of the 1972-73 school year.

D. Thrush - M. Roberts - that the accounts for April, as presented by Business Administrator K. Wormald, be approved for payment.

C. Brant - Mrs. M. Graham - that the following schedule of individual monthly fees, calculated in accordance with Section 100A of the Schools Administration Act, be adopted for the 1973-1974 school year:

Kindergarten, 1/2 day, \$5.00; Kindergarten, other fraction of day, \$10.00; Kindergarten, full day, \$10.00; Elementary - Grades 1-8, \$10.00; Primary Opportunity Class, \$25.00; Junior Opportunity Class, \$18.75; Intermediate Opportunity Class, \$18.75; Senior Opportunity Class, \$15.00; Secondary - Grades 9-13 (Years 1-5), \$32.00; Retarded Schools - Half-day attendance, \$32.00; Full-day attendance, \$64.00. Non-residents of Ontario - Kindergarten & Elementary, Basic Fee, \$59.00; Secondary, \$110.00; Retarded Schools, Basic Fee, \$220.00.

D. Thrush - J. Spry - that the tender of Arro Uniforms Company in the amount of \$4,735.00 plus 15c per letter for crests, be accepted. (Tender No. 3-34).

Mrs. J. Hutchison - J. Spry - that The Hastings County Board of Education accept and approve the Financial Statement and Auditor's Report for 1972 dated May 14, 1973 and the Administration be directed to publish the report in the County newspapers.

Mr. Robb Cory, of Dunwoody and Co., indicated that generally speaking the systems and procedures used by the Board were excellent. There were, however, some minor concerns with regard to the systems and procedures being used and that he will be making a report to the Board about those at its next regular meeting.

Mrs. M. Graham - K. Little - that the procedural by-law of The Hastings County Board of Education be amended by deleting the words "the By-laws" in the first line of the second paragraph of section 18 on page 14, and substituting the words "this By-law".

R. Rowe - K. Little - that the request of the Tyendinaga Township Council to meet with a Committee of The Hastings County Board of Education re the future use of the Shannonville School be referred to Committee of the Whole.

D. Williams - E. Hawley - that the tender No. 3-18 for Advanced Renovations at North Hastings High School, in the amount of \$175,500, be awarded to Ram Mechanical Contractors Limited.

D. Williams - M. Roberts - that the Bylaw and Policy Committee review the procedures involved in awarding tenders in a situation where the amount of the tender exceeds the amount budgeted by the Board, and report back to the Board.

Trustee J. Hutchison commented that the Principals of Hastings County were very pleased with the excellent manner in which Superintendent Robert Horwood had dealt with staffing and recruitment.

The Chairman advised that a letter had been received from Mrs. Wanda Butcher, President of the FWTAO, Unit 4, inviting Board members to attend a dinner for the purpose of honouring the retiring teachers in the Belleville Unit. The dinner is to be held at the Legion Hall in Belleville on Monday, June 18th, at 6:30 p.m. Tickets may be ordered from Mrs. Lois Edey at Queen Alexandra School.

Trustee J. Forbes enquired as to what is being done in the schools with regard to introducing the Metric System and was advised that to date two teachers' workshops have been held, a film on the Metric System has been produced at Sir John A. Macdonald School in cooperation with Loyallist College and a study committee is now preparing a course of study for grades 1 - 6. Director of Education E. Runcare indicated that a full report would be made to the Board in September.

Trustee D. Williams expressed concern that students were being given excessive tests and reading assignments towards the end of the school year. The Director of Education advised that this matter had been placed before the various Principals' Cabinets and said that the Superintendents would be bringing in additional information at the next Board meeting.

Chairman M. Smith announced that Trustee Carl Brant has been invited as a guest at a dinner to be given for Queen Elizabeth II and Prince Philip at London, Ontario, on June 28th, 1973.

E. Robinson - K. Little - that the Board resolve into Committee of the Whole to consider certain items.

D. Thrush - J. Spry - that the specific teachers he granted unpaid maternity leave for the periods specified, with duties to resume as specified; including Mrs. J. M. Bruce, Madoc Twp. P.S., Sept. 73 to 31 Aug. 74.

E. Robinson - C. Brant - that the request of Mrs. M. E. Boyle (nee Downey), for unpaid leave of absence on compassionate grounds for the period September 1, 1973, to August 31, 1974, be approved.

M. Waller - M. Graham - that Miss Anne G. Cronk's request for unpaid leave of absence for the period September 1, 1973, to August 31, 1974, for the purpose of undertaking full-time studies for a Master of Education Degree be approved.

Mrs. J. Hutchison - J. Forbes - that a contract for the supply and installation of acoustical treatment at the Trenton High School Swimming Pool be awarded to Ure-Al Corporation in the amount of \$9,867.00. (Tender No. 3-37).

E. Hawley - E. Robinson - (a) that Mr. Richard MacIvor be appointed to the Vice-Principals' staff effective September 1, 1973, with placement at Bancroft Public School, for the school year 1973-74. (b) that Mr. Durl Lott be appointed to the Vice-Principals' staff effective September 1, 1973, with placement at North Hastings Senior Elementary School, for the school year 1973-74.

Mrs. J. Hutchison - Mrs. M. Graham - that the Board offer permanent contracts, effective September 1, 1973, to the probationary teachers, recommended therefore by their Principals and Supervisory Officers; including: Centre Hastings Secondary School - Mr. P. W. Bherer, Miss C. E. Bigelow, Mr. D. J. Braseau, Mrs. S. E. Delmatto, Mrs. S. A. Gruhl, Mrs. B. M. Hudson, Mrs. L. McNab (subject to certification), Mrs. N. Powell, Mr. L. H. Sutton; Madoc Twp. P.S. - Mrs. W. M. Burnside and Miss B. E. Post.

C. Brant - M. Roberts - that the Board rise and accept the Report of the Committee of the Whole.

MR. and MRS. MARL RAY

RAY - WATSON
St. John the Baptist Anglican Church, Madoc, was the scene of a pretty spring wedding at four o'clock on Saturday, May 12th, 1973, when Bonnie Anne Watson, daughter of Mr. and Mrs. Byron Watson of R.R. 3, Madoc, was united in marriage to Marl William Ray, son of Mrs. Frances Ray and the late Leslie Ray of R.R. 1, Eldorado. Reverend J. H. Thompson performed the double-ring ceremony, and Miss Nicola Thompson played the wedding music.

Given in marriage by her father, the bride was lovely in a full-length gown of white lace featuring an empire waist and short sleeves. She wore a shoulder-length veil and carried a bouquet of red roses.

Mrs. Nancy Whiteman, aunt of the bride, was matron of honor. She wore a floor-length gown of pink polyester and carried a bouquet of pink-tinted and white 'mums.

An uncle of the bride, Clayton

Whiteman, was best man. Ushers were Bob Watson, brother of the bride, and Michael Ray, brother of the groom.

Receiving the guests at the reception in the Cooper Community Centre, the mother of the bride wore a street-length dress of printed jersey in rust, brown and beige tones with a brown overjacket. A corsage of colored artificial 'mums' completed her ensemble. Assisting was the groom's mother in a street-length pink dress with silver trim. Her corsage was of pink and white artificial 'mums'. The bride's table was decorated with pink and white bells and streamers. A large wedding cake decorated in yellow and white with a dove top was the centrepiece.

For the wedding trip, the bride donned a pant suit in brown check.

Out of town guests were present from Lakefield, Peterborough, Trenton, Millbridge, Cobourg and Madoc.

Mr. and Mrs. Ray are residing at 257 St. Lawrence Street East, Madoc.

ELDORADO

Some of the Senior Citizens of the area enjoyed a bus trip to Ottawa last Friday.

Mrs. Allan Franks spent Monday dinner hour with Mrs. Ivan Sine.

Mrs. Max McCann and Mrs. Chas. Carman of Belleville spent last Tuesday with Mr. and Mrs. Melvin Johnson.

Mrs. Frank Palmer, Mrs. Harold Chambers, Mrs. Wayne Blackburn, Mrs. Gerald Blackburn and Mrs. Melvin Johnson attended the W.I. District Annual in Madoc last week.

Congratulations to Mr. and Mrs. Charles Brownson on the arrival of their new baby daughter.

A successful auction sale took place on Saturday at the home of the late Mrs. Oscar Pigden.

Bannockburn

Congratulations to Mr. and Mrs. Burton Sandford who last week observed their 56th Wedding Anniversary.

Mrs. M. Simpson spent a couple of days recently in Trenton, where she visited her daughter, Mrs. Campbell, a patient in hospital there.

Mrs. Lola Donly and Colleen, and Miss Susan Lennox, Belleville, were guests of Mrs. Donly on Sunday.

Mrs. B. Sandford was hostess for an "Amway Party" on Friday night.

Mrs. Raymond Wood, Madoc, was a guest of Mrs. Angus Andrew one evening last week.

Sorry to report Mrs. Ewart Lake a patient in Belleville Hospital. Best wishes for a speedy recovery.

Mr. and Mrs. Frank Palmer spent Saturday in Peterboro.

Mr. and Mrs. Jas. Dafeo and family, Trenton were weekend guests in town.

All those who attended the service in Madoc Pentecostal Church on Saturday night were very pleased to meet again with the guest speaker, Rev. Keith Sprackett of Trenton.

INFANTS AND PRE-SCHOOL CHILDREN IMMUNIZATION CLINIC

will take place as follows:

MADOC UNITED CHURCH

2nd Friday of each Month
JUNE 8th, 1973
1:30 - 2:30 p.m.

Children between 3 months and 5 years of age will receive their immunizations against Polio, Tetanus, Whooping Cough, Diphtheria, and Combined Red and German Measles.

C. R. Lenk, M.D.,
Medical Officer of Health,
Hastings & Prince Edward Counties Health Unit.

Thank You

A sincere thank-you to all our customers and friends for their patronage over the past 37 years.

WEDDING

BLACKBURN - EVANS

Wesleyan Methodist Church, Madoc, was the scene of a pretty double-ring wedding on Saturday, May 12th, 1973 at 7:00 p.m., when Sandra Jean Evans, daughter of Mr. and Mrs. Ted Evans, R.R. No. 1, Eldorado, was united in marriage to Larry Ronald Blackburn, son of Mr. and Mrs. Leonard Blackburn of R.R. No. 1, Eldorado. Reverend McEwen assisted by Reverend Quick performed the ceremony in a church gaily decorated with pink and white mums and daisies.

Wedding music was played by Mrs. Lloyd Holmes of Tweed, who accompanied the soloist, Mrs. Jean Morgan, R.R. 2, Bancroft, as she sang, "O Perfect Love" and, at the signing of the register, "The Wedding Prayer".

Given in marriage by her father, the bride was radiant in a floor length twinkling organza dress with a charming lace bodice and three-quarter full sleeves. The high neckline and empire waistline were accented with a dainty pale pink bow. A chapel length veil of silk illusion fell softly from a headpiece of a single twinkling organza rose. She carried a bouquet of pink roses with a large white bow.

Mrs. Nancy Adams was her sister's matron of honour and she wore a floor-length gown in sheer floral pattern in shades of mauve with round scooped neckline and full sleeves. A

matching ribbon enhanced the high waistline with a pert bow at front. Her bouquet was of yellow mums and white daisies surrounding a pink rose. Bridesmaids were Mrs. Marion Hardy and Miss Darlene Evans, sisters of the bride, Miss Nancy Blackburn, sister of the groom, and Mrs. Janet McCaw, friend of the bride. They were dressed identically to the matron of honour and carried bouquets of yellow mums and white daisies surrounding a pink rose.

The flower girl was Miss Shelly Blackburn, niece of the groom, who wore a mauve floor-length dress and carried flowers identical to the bridesmaids.

The ring boy was Richard Adams, nephew of the bride who carried a white satin pillow.

Best man was Allan Blackburn of Foxboro, brother of the groom and ushers were James Adams, Merrick Boyle, Robert Evans and Lloyd Blackburn.

The reception was held in the Madoc Legion Hall. Receiving the guests were the bride's mother, who wore a floor-length sleeveless gown of silk knit in buttercup yellow and a high neckline. A detail of embroidery and pearls accented the front waistline and she wore a corsage of white daisies and white accessories. She was assisted by the groom's mother, who wore a floor-length gown in floral pattern in shades of pink, with a corsage of white daisies and white accessories. The bride's table was decorated with pink candles and a three-tier wedding cake which was made by the bride's grandmother, Mrs. McGregor.

A delicious lunch was served by the Hart's-Riggs' Women's Institute. Mr. Eric Sandford was Master of Ceremonies.

Mr. and Mrs. Blackburn are residing at R.R. No. 1, Eldorado. Out of town guests were from Bancroft, Belleville, Peterborough, Toronto, Picton and Marmora.

O.P.P. REPORT

Eight motor vehicle collisions were investigated over the past week. Three personal injuries and \$5,575.00 damages resulted.

Two fires broke out - one in Madoc Township resulting in the complete destruction of a barn and contents including livestock and one in the township of Hungerford resulting in only minor damage to the basement of a house.

An Ottawa man was charged with "Cause a Disturbance by Being Drunk" when he attracted attention by shouting and swearing on one of the buses passing through Madoc Detachment Area on May 25th.

Two persons were charged with "Mischief" contrary to the Criminal Code of Canada after maliciously damaging another's property.

A break, enter and theft which occurred in the hamlet of Actinolite resulted in the theft of approximately \$120.00 worth of goods. Three juvenile boys were apprehended and subsequently charged under the Criminal

Code of Canada and the Juvenile Delinquents Act.

Three other thefts were investigated and a picnic table, two bicycles and a box of tools with a total value of \$385.00 were stolen.

One mental patient from Kingston Psychiatric Hospital whom had escaped from that institution was returned to Kingston by hospital officials. He had been apprehended in the village of Marmora.

Among other complaints received were: civil disputes, assaults, disturbances, domestic complaints, erratic driving complaints and littering the roadway reports.

One person was charged with "Having Liquor in a Place other than Residence" and two "Impaired Drivers" were charged.

Your child's safety depends on three things... What you think about it... what you know about it... and what you do about it!!

R. N. Dowe, Sergeant

ANGLICAN SYNOD AND WORLD MISSION

Delegates attending the 107th Session of the Incorporated Synod of the Diocese of Ontario on May 29 and 30 in Kingston were the Rector of the Parish of Madoc, Rev. J. H. Thompson, Mr. Eric Ormerod and Mr. Robert Aylsworth. Following the Holy Communion service in St. George's Cathedral, along with the Bishop's charge, the delegates from all over the Diocese assembled in St. George's Hall. Highlights of these two days were the reports from General Synod held earlier in the month in Regina, Saskatchewan. After a long debate the Synod voted to accept the principle of ordination of women to the priesthood. It was decided by the Synod that implementation will not take place until the House of Bishops has worked out a pattern for this. A new pattern for Christian initiation, which rejoins Baptism with water, laying-on-of-hands, followed by first Communion, as a single service, was presented to Synod before becoming effective.

national changes to provide for the possibility of Union with other Churches was given first reading by General Synod. They will have to be approved a second time at the next General Synod before becoming effective. It was made clear that this means 1977 would be the earliest possible date for any voting for Church Union. No plan of Union is being forced upon us. We will all have the responsibility of voting for or against the plan.

Great concern was evidenced relating to the work of our Church, all along the northern part of our country. General Synod gave approval to the establishment of a Primate's Council to study the needs of the Church in the north. Its goal is to establish a self-determining Church.

Miss Allison Sheppard, missionary for 20 years in Japan, challenged the members of Synod on the Missionary outreach of the Church.

Mr. Rex King, Anglican Cam-

paign Counselling Service gave a survey finding of Anglican giving in the Diocese. "If the Church is to continue," he said, "then we must tell our people the importance of the title and the needs of the Commission of Christ."

Bishop J. B. Creighton reminded Synod that our Diocese will be host to the Ontario Provincial Synod on September 5th and 6th. The meetings will be held at McArthur College. During that week also will be a visit of the King's College Choir, Oxford, England to sing in the Cathedral three times.

A visual aid presentation depicting the work of the Board of Parish Services was well received by members at Synod, along with a detailed report of the work of Anglican Church women, Camp Hyante, Bookroom, Canons on the procedure of the Appointment and Nomination of a new Bishop and Chaplaincy ministry on the University and in Hospital.

Sunday evening, June 3rd saw

the return of many parishioners to attend the Annual Anglican World Mission Service held in the Cathedral at 7:30 p.m. Archbishop W. L. Wright, Metropolitan of Ontario and Bishop of Algoma was the special preacher. Combined choirs lead in the singing of special liturgical music. Presentation in the support of Missions was given to the Bishop during the service. Attending this service from the Parish was Rev. and Mrs. J. H. Thompson and Nicola Thompson, Robert Aylsworth, Mr. and Mrs. Sam Danford and Alan Danford.

"Why is the price of fish so high?"

"What's happened to the price of fish? I used to buy fish as a bargain and a substitute for meat, but even fish is high," someone told me recently. Absolutely right. Supermarkets haven't been able to hold prices down because of generally light catches and rising demand.

The traditional Atlantic sources of haddock for instance, have been overfished by both North American and foreign fishermen. There just aren't enough haddock in the sea.

So is another victim of short supply. Our buyers can never get enough and in such shortage situations, the price is bound to rise.

The only course is to shop for canned fish specials and buy less expensive varieties.

MADOC, HASTINGS COUNTY, ONTARIO

JUNE 13, 1973

Number 24

Established April 6, 1877

(Brian Armstrong, son of Mr. and Mrs. Donald Armstrong of Millbridge, received his Bachelor of Arts degree from the University of Waterloo. Brian is a former student of Centre Hastings Secondary School, Madoc.)

SENIOR CITIZENS REPORT

by Mary Ann Holmes

Fifty-two members signed the attendance book at the regular meeting of the Madoc and District Senior Citizen's Club No. 473, which was held at the United Church basement on Wednesday, June 6th.

In the absence of the President, Mrs. Broadworth, the meeting was conducted by Vice-President, Mrs. Vera Holmes, who spoke a word of welcome to all and followed by reading a suitable poem. The Lord's Prayer was repeated in unison. The minutes of the previous meeting were read by the

Secretary, Mrs. Johns, and were approved.

Business and correspondence were dealt with. A card was read from Mr. Ken Bateman, thanking the members for cards and other kindnesses received while he was ill. Miss Raney also thanked her friends for cards and messages she received while in Belleville and since her return.

The members were reminded that they have been invited to attend Divine Service on Sunday, June 17th, at 11:00 a.m. at St. John's Anglican Church, Madoc. Also, the Club has been invited by the Moira River Conservation Authority to a picnic at the O'Hara Mill picnic area on Wednesday, June 20. Those wishing transportation for this are to be at the United Church at 11:00 a.m. Plans are being made to attend the Senior Citizen's picnic which is to be held in Kingston this year on June 27th. Members wishing to go are asked to leave their names with Mrs. Vera Holmes or Mrs. Sadie Yearwood, as soon as possible so that bus arrangements may be made.

Mr. Ray Burris of the Madoc District Chamber of Commerce was present at the meeting to ask if any of the members would care to help at the information booth this summer. After some discussion several of the members offered their time and assistance with the project. The meeting was then turned over for the playing of various games.

The lunch committee served a generous lunch and a social half-hour brought the meeting to a close.

BIRTH

DAVIS — Garry and Beverley wish to announce the safe arrival of their son, Dale William Leonard, born on June 7th, 1973 at the Belleville General Hospital, weight 8 lbs., 13 1/2 oz. A brother for Darla and Duane.

WINS SCHOLARSHIP

Miss Barbara Wilson, daughter of Mr. and Mrs. Robert Wilson of Madoc obtained five honour standings in third year dentistry at the University of Toronto. She also won the Wm. J. Evan Scholarship.

MADOC LADIES SOFTBALL

The Madoc Ladies Softball team in the Trent Valley League began their season last Tuesday night, June 5th, at the local ball park. The ladies dropped a close (?) decision to Cooper 27-4, with Sandra Fleming as the winning pitcher. The following night the ladies went to Foxboro and came home with a 15-14 win. Marva Murphy was on the mound for the winners. On Monday evening, June 11th, the team journeyed to Springbrook and came home with a 15-8 victory, with Marva Murphy the winning pitcher. The team is again being sponsored by the Madoc Ladies Auxiliary. Brian Armstrong is the coach. This year's team consists of Barb and Sue Brooks, Mariene and Cheryl Carswell, Marva Murphy, Donna and Dorothy Peters, Charlotte Bigelow, Vicki Fulcher, Dugma Love, Lynn Deering, Cheryl Davidson, Dianne Bonter, Barb Keller and Lillian Nolan. Come out to the ball park Tuesday evenings at seven and support the Club.

A new mine opposite the Wallbridge Hematite mine was started in October 1882 by Messrs. Stewart and Garry. A large drill was used and the company thought that they might find the same vein, but the hoped for ore was not found.

On January 25th, 1883, the Hematite mine closed down.

In May, 1883, Mr. Wm. Coe purchased the interest, chattels and machinery from the Bethlehem Iron Co.

In July 1883 Bethlehem Iron Co. purchased Mr. Coe's lease for \$50,000. This company worked the mine for two years and abandoned it.

Later Mr. Coe repurchased the lease. He had the water

A Favorite Fairy Tale

"Snow White and the Seven Dwarfs" was vividly portrayed in a musical presentation at the Madoc Public School last Tuesday evening by the students of Mr. Don Dillabough's grade six class. An afternoon performance was made for the student body of the school, at which time the students of Bridgewater School were also present. Above, the cast, lined up at the final curtain, give those who were unable to see the show some idea of their realistic costumes.

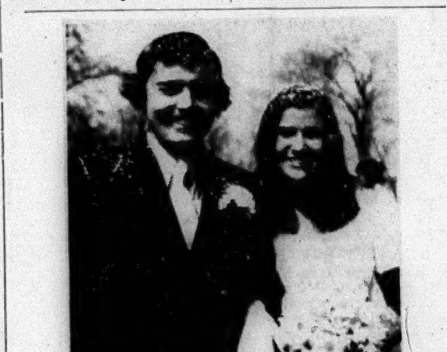

The cuddly appearance of this little fellow is quite deceiving, as the Stein family found out last week when she visited their home in Madoc Township. Although just a cub, she had very large paws with a complete set of claws, which were quickly put to use on the approach of strangers. The little bear was brought to the farm home of Mr. and Mrs. Fred Stein northeast of Eldorado, after her mother was wounded in the woods nearby. The cub has since returned to her natural home, after chewing the collar off her leash.

HUNTINGDON TOWNSHIP COUNCIL MINUTES

A regular meeting of Huntingdon Township Council was held at the Township Hall, Ivanhoe, on May 10th, 1973, at 8:00 p.m., with all members present. The Minutes of the meeting held during the month of April had been circulated by mail, and were approved as circulated.

Mr. Russell Sills, Township Representative, and Mr. Bill Lawson, Secretary-Treasurer of the Lower Trent Conservation Authority reported to Council. Mr. Sills presented an informative summary of the Authority's establishment and acquired parcels of land owned by the Authority. Mr. Sills also reported on the activities planned for the current year.

Mr. and Mrs. Calvin Chambers are shown following their marriage in New Liskeard on May 19th, 1973. The couple left for the West Coast to arrive in the Yukon, where they will reside for the next two years.

Fire Destroys MADOC VILLAGE COUNCIL HOME

Loss of approximately \$40,000 resulted early Sunday morning when an all-weather cottage on Moira Lake owned by Mrs. Amelia Campbell of Marmora was destroyed by fire.

Mrs. Campbell operates a hair dressing parlor in Madoc and was shortly to move to this recently constructed home here.

The Sunday morning fire was reported by a neighbour who spotted the blaze at about 4:40.

The fire had gained much headway and was out of control when the Madoc volunteer fire department arrived on the scene.

Adjacent cottages were saved, but heat from the fire was so intense that shingles on the next cottage were melted and nearby trees were set ablaze.

Origin of the fire was undetermined.

Holmes Family Enjoys Picnic

The family of Mrs. Mary Ann Holmes of Madoc and the late Fred Holmes held their 14th annual picnic on Sunday, June 10th, at the Nicholls Oval Park in Peterborough.

A sumptuous dinner was enjoyed at noon, after which the company was called to order and a short business period was conducted by the President, Vera Wannamaker. It was decided that next year's picnic would be held at the same place on the second Sunday in June.

The election of officers brought about the following executive President, Hattie Bronson; Vice-President, Geneva Armstrong; Recording Secretary, Mary Ann Holmes; Treasurer, Elaine Devolin; Publicity, June Bronson; Sports Committee, Elaine Devolin and June Devolin.

The remainder of the afternoon was spent in games, races, contests and social visiting. Lunch was served, bringing a very pleasant day to a close.

Couple To Accompany Singing Tour

Mr. and Mrs. Dale Chambers successfully completed their course at Mount Carmel Bible School, Edmonton, Alberta. They have been chosen to accompany a singing group from the school on a tour of Eastern Canada. Dale is the son of Mr. and Mrs. Keith Chambers of Madoc.

A regular meeting of the Madoc Village Council was held in the Council Chambers on Monday, June 4th, with Reeve T. C. Barton, Deputy Reeve Kel Kincaid and Councillors Clayton Smith, Robert Graham and Robert Kirkwood present.

The minutes of the previous meeting were adopted as circulated on motion of Kirkwood-Graham.

A discussion ensued regarding the infiltration problems in the sanitary sewers in the Village.

Graham — Kincaid — that the Clerk-Treasurer contact D. Bateman, Q.C., regarding the report from the Ministry of the Environment of May 29, 1973, and that inquiries be initiated regarding the testing of underground storage fuel tanks; that we investigate the matter of municipal jurisdiction in this regard of control of such tanks with a view of passing a By-law.

A motion was made that correspondence from the Ministry of the Environment be received and filed.

Mr. John Tooley of the Ministry of Environment interviewed Council regarding the operation of the municipal waste disposal site. Discussion on how to control difficult material, such as old tires and metals followed. Mr. Tooley agreed to find a market for the old tires.

Mr. Harold Brintnell waited on Council regarding the best method of supplying water to his new dwelling.

Mr. Ray Burris waited on Council on behalf of the Chamber of Commerce requesting assistance from Council to operate the information booth. Mr. Burris advised that the Chamber intends to approach the Senior Citizens Club with a request for them to operate the booth.

Kirkwood — Kincaid — that the Village accept the financial liability up to \$600 in conjunction with the staffing of the new tourist attraction on St. Lawrence Street. Reimbursement of this amount is to be left to the discretion of the Chamber of Commerce.

carried.

ELZEVIR AND GRIMSTHORPE COUNCIL MEETING

Council of the Townships of Elzevir & Grimsthorpe met at Actinolite on Monday, June 4th, at 8 p.m., with all members present and Reeve Ken Smith presiding.

The minutes of the May meeting were read and on motion of K. Cassidy, seconded by J. Kehoe, adopted as read.

Mrs. K. Bradley requested some improvement of the intersection of Highway No. 7 and Varty's Rapids Road.

Russell James asked to have less water released at one time when opening the beaver dam above his property.

Correspondence was read and accounts presented.

It was moved by J. Kehoe, seconded by E. Alexander, that the following accounts be paid: Road Voucher No. 5, \$1,814.42; Ontario Hydro, \$173.60; Road Tour, \$90.00; Hastings County Board of Education, \$11,997.00; Hastings & Prince Edward R.C.S.S. Board, \$796.00; Miscellaneous, \$38.81.

A motion was made by K. Cassidy, seconded by J. Robinson, that fire protection agreement with the Village of Tweed be signed by the Reeve and Clerk accepting increased rates for men and equipment.

carried.

It was moved by J. Robinson, seconded by E. Alexander, that By-law No. 326 be given necessary readings and passed, this being a building by-law proposed by the County of Hastings.

Kirkwood — Smith — that permission be granted to the Hastings and Prince Edward Counties Mutual Aid Association to refill tank trucks in emergencies from Village hydrants.

Graham — Smith — that the accounts signed by the various chairmen be paid and those paid during the month be ratified.

carried.

Accounts — General Account and Waterworks, Pidden Motor Sales, \$72.14; Rivers Service Station, \$35.85; Nickle's Electric, \$241.69; Marvin Johnston, \$551.47; Humpage, Taylor & McDonald, \$1,625.00; Pro Hardware Centre, \$6.40; P.C.O. Services, \$21.00; Corporation of the City of Belleville, \$15.52; Canadian Tire, \$4.98; Connor Hardware, \$4.18; Fawcett Metal Products, \$68.69; Murray Smith, \$302.00; S. Danford & Sons Ltd., \$461.50; Chas. M. Derry Ltd., \$11.61; C.N.R., \$5.90; Bristol Meyers, \$35.00; M. Smith, \$60.00; Humpage, Taylor & McDonald, \$75.00.

Kincaid — Kirkwood — that Council go into the Committee of the whole on by-laws with the Reeve in the chair.

carried.

Kincaid — Smith — that a By-law authorizing construction of water and sewer mains on Wellington Street from St. Lawrence to Prince Albert be received its first and second reading and be forwarded to the Municipal Board with the application for approval.

carried.

Kirkwood — Graham — that Council accept the sickness and accident plan as outlined by Frank Downey at the May meeting.

Graham — Kincaid — Be it resolved that the Sanitary Landfill site be opened Monday, Wednesday, Friday and Saturday from 9 a.m. to 6 p.m. and that the locks on the gate be changed after July 1st, 1973.

Kincaid — Kirkwood — that Council adjourn to the call of the Reeve.

**ITS TIME TO PAY
A TRIBUTE TO ART**

By Bill Smiley

I have three brothers-in-law. One is a railroader, one is a lawyer and the third is pretty ill right now.

I've always felt lucky about them. Each of the three is a fine fellow, and we've got along with never an unpleasant word or experience between us.

That's more than lots of brothers-in-law can say. Left alone, they'd probably be fine, but when the women involved start getting their knives into each other, often a coldness develops among the poor devils of husbands.

My railroader brother-in-law went to high school with me, and we played football together on a couple of the best teams that ever came out of Perth Collegiate Institute and Lanark County.

My lawyer brother-in-law worked with me on a chain gang one summer, when we were students, and it was the best dodge-work chain gang that ever worked for the Kodak company. We left no stone unturned in our constant vigilance to appear to be working when the foreman came around.

Both these chaps are around my own age, a bit tattered around the edges from raising families and paying off mortgages, but otherwise in good shape.

My third brother-in-law is a bit longer in the tooth, and I always looked on him as a father, where between a second father and second big brother.

Not that he acted either part. He treated me exactly as most boys would like their fathers to treat them. And he never, ever, acted the bullying, know-it-all role of the big brother. He treated me as a human being.

He never implied that I was a kid and he was an adult. When he was twice my age, he talked as though we were equals.

He knew I was pretty callow when I was sixteen, but he never let on. We were two men of the world together, and I've appreciated it ever since.

He'd take me fishing when I was a kid. There was no nonsense about him being in charge. We were just a couple of fishermen.

One fishing jaunt I still remember with particular pleasure.

EXPLORING THE DIMENSIONS OF MAN

Want to do something different this summer? The Psi Centre, an established school for Psychic and Personality Development, offers stimulating 2 week seminars for people with a desire to learn more about Psi Science and man as a multi-dimensional being.

The school is located on highway No. 7, six miles east of Madoc, Ontario. It's parent organization, The Bartonian Metaphysical Society, is a non-sectarian, charitable organization. The founder is Dr. Winifred Barton, well known lecturer and author of 7 books on the field of psychic phenomena and personal development. That everyone has the potential to develop an extra-sense of perception is the basic tenet of the society's teachings; and that individual development should be a balance between the physical, emotional and spiritual aspects of man.

Here, at the Psi Centre, metaphysics can be absorbed in a setting of rare beauty. Situated in the heart of Hastings County, one will find over 40 acres of hills and woodlands to wander through. Nearby, a softly flowing river gives the finishing touches to this scene of tranquility. The added attraction of canoeing, swimming, fishing and biking makes this an ideal place for a meaningful vacation.

The course itself focuses on techniques that anyone can learn. Areas covered include how to identify and solve problems, reduce tension and increase the creative flow using such methods as dream analysis and meditation. Further lessons voyage into various manifestations of ESP, discoveries in the field of the human aura (sometimes referred to as the energy-field, halo, charisma, Psi etc.) and its relationship to the physical and emotional health of the individual. This is just a sampling of what one can expect to explore during the 2 week period.

In the evening, relaxing group discussions lead into many more thought-provoking avenues. Such mind-expanding topics as UFO's, astral projection, parapsychology, Atlantis and personality survival beyond

death are viewed with a new perspective. Deep insight is gained into the conceptual values of religion and philosophy and how they relate to modern day science, psychology and mysticism. A limitless panorama of man in his totality.

One thing is certain; your stay at the Psi Centre will be an unforgettable experience. And for those who take the first course, and wish further studies, we offer more advanced courses in Esoteric Philosophy and Applied Metaphysics, as well as teacher training programs.

Further information and a free summer schedule listing course dates can be obtained by writing: Psi Centre, R.R. 3, Tweed, Ontario.

The Marmora ladies looked after the closing prayers, and hymn No. 577 was sung.

The guest speaker for the evening was Rev. W. Sedgwick of Queensboro United Church. He was introduced by Luella Phillips. Rev. Sedgwick was one of 44 chosen to go on a trip to the Middle East from February 12th to March 2nd, 1973. The basic idea behind this trip was to try and understand the situation in the Middle East and to bring that understanding back here. The group enjoyed a papal audience with Pope John and other high dignitaries and in all the places they toured they were treated royally.

Rev. Sedgwick showed his slides and in his excellent and amusing manner described these to us. He presented a clear view of the situation between the Israelis and the Arabs as they saw it. Mrs. Elvi Brownson thanked him for a most interesting evening and presented him with a gift. A question and answer period followed.

Rev. Sedgwick gave the closing blessing. Marmora and Roslin ladies thanked both Rev. Sedgwick and the Madoc ladies for a most enjoyable evening. Lunch followed and everyone became acquainted over a cup of tea.

ST. JOHN'S A.C.W.

St. John the Baptist A.C.W. held their May meeting in the Rectory. The Marmora and Roslin ladies joined with the Madoc ladies.

The meeting was called to order by the President, Luella Phillips, who welcomed all present. Mrs. Kay Thompson led the opening prayers. The Roslin ladies had the scripture reading, which was taken from "Good News for Modern Man". Miss Nicola Thompson played the piano for the opening hymn, No. 582.

The minutes of the last meeting were read and approved by the President. The different officers gave their reports and the correspondence was read and dealt with.

The Annual Meeting will be held in Kingston on May 17th. The bazaar this year will be packed in St. John's Church, Stirling on May 22nd. Communion is at 10:30 a.m. Please bring a box lunch.

It was moved by Mrs. Joan Reynolds and seconded by Mrs. Anne Griffin that new clothing be bought for the bazaar. A work night is planned for May 10th in preparation for the dinner to be served on May 11th to the Rebekah's. The next meeting will be held at the home of Mrs. Gwen Danford on June 12th.

When the war came along, he was of an age at which there was no need for him to join up, no question of being drafted. He joined the air force and spent four years of unheroic, uncompensated service about two thousand miles from his family. He could have stayed home and made money as most of his contemporaries did.

He never said much, at times of family crises, though he was dragged into our large family. But he was always there, always steady, always the peacemaker.

He hated rows, and scab-picking, and soul-searching, and when people got into that stuff, he'd change the subject or quietly leave.

Like my own father, he very rarely got angry, but when he did, attention was paid.

He believed in the old adage, as did my mother, that, "If you can't say anything good about a person, don't say anything." And I never heard anyone say a bad word about him.

He's a good Christian, a good Catholic, but a down-to-earth one, not one of those pious bibles.

He was no world-beater, and he didn't want to be. He was no intellectual, but he had a wit as Irish as his good looks.

He was always a kind, and, at the risk of seeming maudlin, I would say a sweet man.

I hope he reads this and knows how much his young brother-in-law thought of him when he was an impressionable kid, and ever since.

And I hope the day is not too far when he's out of that hospital bed and we can crack a jug together.

**FIRST REUNION TO BE HELD
FOR CWAC VETERANS**

The first reunion of members of the Canadian Women's Army Corps who were stationed at old Fort Frontenac in Kingston during World War II will be held in Kingston during Tri-centenary year 1973, the week-end of August 10 to 12.

It is impossible to personally contact the many women who served at the Fort so the committee is asking all veterans concerned to send their names and addresses to: The Rev. Mary Haggart, P.O. Box 68, Central Butte, Sask. or to: Miss Irene Vivash, 497 Walsley St., Peterborough, Ont. Details concerning the reunion will be mailed in time for registration.

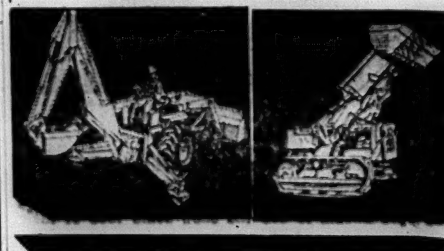

This will be a wonderful opportunity for veterans to renew old friendships. And, arrangements are being made to have an area set aside for any campers or people with trailers who might attend from a distance and want to tie in the reunion as part of a family holiday trip to Kingston.

MADOC, ONTARIO

**"Sure, saving is a problem.
But what you don't see
you don't miss."**

Says R. S. Clarke, TD Manager, Madoc

Because it takes so much money just to get by these days, saving a few dollars out of each pay cheque gets tougher and tougher. Something always comes up. Instead of saving those few dollars you end up spending them. Toronto Dominion has a solution for you. It's called Cash-builder; the 'set and forget' way to save.

You tell us how much you think you can manage to put into your savings account, and once a month, every other week or whenever you say, we'll automatically transfer that amount from your chequing account into your savings account. This way you probably won't even miss it.

Even if you already have a Premium Savings account, Cash-builder will ensure a successful savings programme. And if you've just finished paying off a loan, you can keep on putting aside those monthly payments—and pay yourself! Unlike some saving programmes, your money is not tied up. You can use it any time you want—for a vacation, for a car, or even the down payment for a house. Talk to us about Cash-builder. It's the new way to save at Toronto Dominion. See what a difference it makes to you.

TORONTO DOMINION
The bank where people make the difference.

LOOKING BACK

50 YEARS AGO

June 13, 1923

Mr. John Walsh who has been a student of Dental College, Toronto, received the degree of D.D.S. at the recent spring Convocation of Toronto University.

Miss Ella Shields and Bertha Dafoe were drowned in the Red River, 2 1/2 miles north of Actinolite, Saturday about 2 p.m. The two young ladies were in bathing and getting on a log, were carried out into deep water and becoming frightened, left the log and not being able to swim, were drowned. Miss Shields' home was in Kincardine and she was teaching in Actinolite. Miss Dafoe was about seventeen years of age and her home was in Actinolite. The only witness of the double tragedy was a young brother of Miss Dafoe, a mere child, unable to render assistance.

Many Canadians who, attracted by the big wages across the line are returning to Canada. For certain classes of workmen the big wages are there in U.S. all right, but the big expenses are there too, and taking everything into consideration Canadians can do as well at home.

Twenty-seven of the elder grandmothers of New Liskeard enjoyed a happy afternoon, Thursday last, as the guests of Mayor and Mrs. McKnight. An auto trip was taken, making the circuit up the west road through Uno Park and back by the North Road. No happier, fun-loving company has taken this trip in past years than grandmothers. They enjoyed every minute indoors and out. After the drive Mrs. McKnight served a dainty supper which was all satisfying after the time spent in the open. Then prizes were given out for the oldest grandmother, one for the one who could boast the largest number of grandchildren and a consolation prize. Fortune telling proved more fun and songs were enjoyed. The photograph taken will be treasured by the grandmothers as a memento of a happy afternoon. Those assisting Mrs. McKnight in the afternoon's entertainment were Miss Violet McKnight, Mrs. J. H. Brown, Mrs. Wismer, Mrs. Butler and Mrs. Smiley, while those who kindly offered cars were Mrs. Lorne Kennedy, Mr. C. Wismer, Mr. Art Chis-

olm, and Mr. Sam Elliott. These were in addition to Mr. McKnight's car and two others. Mrs. McKnight wishes to express her appreciation to the car owners who thus assisted. This is the third annual entertainment of the older grandmothers by Mrs. McKnight and is a truly happy idea of hers in uniting together in an informal social way, those who might otherwise miss the opportunity of forming, even at a late date, congenial friendships in their own town.

The largest and most costly steamer on inland waters of the world the Great Ship "Seandee," with her sister ship "City of Buffalo." Travelers may leave Cleveland or Buffalo on C. and B. Line steamers any evening at 9:00 (Eastern Standard Time), enjoy a night of refreshing sleep on Lake Erie and arrive at destination following morning at 7:30. Automobile tourists will find this a delightful way of relieving the monotony of overland tours, and thousands of motorists each year make use of this "Save a day" car-by-steamer service. Railroad tickets reading between Cleveland and Buffalo (in either direction) are good for transportation on these steamers.

24 YEARS AGO

June 16, 1949

On Friday evening members of the Holiness Movement Church of Marmora and Madoc congregations and friends numbering about sixty visited Mr. and Mrs. Roy De Wolfe and family to spend an evening with them before they leave for their new home at Odessa. During the evening Mr. and Mrs. De Wolfe were presented with a case of silver and their children, Velda and Stirling, each with a camera. The ladies provided refreshments.

Mr. and Mrs. Jan Kincaid, of the Scotch Settlement, Madoc Township, are moving into Madoc village this week. Mr. and Mrs. Kincaid were presented with an electric tea kettle, electric lamp and wall mirror by their neighbours and friends quite recently.

Margaret Greene, of Queensboro, Visiting Teacher for the Peterboro City Schools, has been selected as the First Vice President of the Ontario Women Teachers' Federation for the coming year. Miss Greene will also serve as the Ontario Women Teachers' Representative on the Provincial Committee, doing research work on Teach Recruitment. We are glad to know that some steps

are being taken along that line as there is an alarming scarcity of teachers for the schools of Ontario.

Dr. Charlotte Dafoe, and small son John, and her mother, Mrs. Small, were recent guests of Reverend J. U. Robins and Mrs. Robins at Dunroven, Wellington, Ont. Dr. Dafoe, who has been supplying for Dr. McMullen, of Frankford leaves for England on July 10th. Her husband Dr. Colin Dafoe, who is taking a special course on thoracic surgery in Sweden, will meet her there, and they will settle in Leicester, England. Her father is enroute from China, and will meet Mrs. Small on her arrival in England.

Mr. and Mrs. Samuel Wickens, of Crookston, were "At Home" to their friends and relatives on the occasion of their fortieth wedding anniversary on the evening of May 26th. During the evening, two nieces Mrs. Clifford Reid and Mrs. Bruce Portt sang "Silver Threads Among the Gold." Little Miss Dawn Cranston entertained the company with several tap dances. These numbers were followed by a short address by many of the guests. Mr. and Mrs. Wickens expressed their appreciation for the kind words of their friends and also for the beautiful gifts received.

Mrs. Dan Robinson and Mrs. J. Kincaid entertained in honor of Miss Aileen Ash at the home of Mrs. Robinson on Wednesday afternoon. Miss Ash, who is a bride-to-be of June, was presented with a miscellaneous shower, receiving many lovely and useful gifts. Dainty refreshments were served and a very pleasant afternoon spent.

Mr. and Mrs. A. W. Hunter wish to announce the engagement of their daughter, Nina Jean, to William Melvin, son of Mr. and Mrs. B. C. Fournier, Elphin, Ontario. Marriage to take place at St. Bartholomew Church, Bannockburn, on July 2nd, at 3 p.m.

Wedding—At the parsonage Morpeth, Ont., on Saturday, June 4th, in a quiet double-ring ceremony, Miss Ona Marie Wright, daughter of Mr. and Mrs. Wesley Wright, Ridgetown, Ont. was united in marriage to Mr. John Robert Gordon son of Mrs. Sue Gordon, Madoc, Ont. Rev. E. Stuart officiated.

15 YEARS AGO

June 26, 1938

North Hastings District and Eldorado and Bannockburn Branch of The Women's Institute celebrated their 50th Anniversary at Eldorado, on Tuesday, June 10th, 1938. The District President, Mrs. Ernest Irwin, presided. The morning session opened with the singing of the Institute Ode and repeating in unison the Mary Stewart Collect and the Lord's Prayer. Mrs. Russell Empey welcomed the guests in a few well-chosen words the response being given by a member of Paudash Branch. Guests present were the President of the Federated Women's Institutes of Ontario, Mrs. James Haggerty; Miss Sandra Thibault, Home Economist; Mrs. Clifford Gillespie, Provincial Representative of Belleville Area; Mrs. J. Devaney, Pres. of West Northumberland; Mrs. Nelson Usher, Pres. of Northumberland; Miss G. Mowers, Pres. and Mrs. R. Robson, Past President of East Hastings District.

Roy W. Sills, Halloway, was named president of the Hastings County Hog Producers' Association at a recent organizational meeting called to elect executive officers and to appoint township directors. Vice-President is Don Vardy, of Stirling, with Ross Moorcroft, of Madoc as secretary-treasurer and Harold Varty, of Hungerford township as county campaign manager. Revising of the county hog producers' voting list in preparation for the July 25th vote on the co-operative hog marketing scheme will be the first business of the association, according to President Sills. Court of revision for the voters list will be on July 4th. Next meeting of the association is July 26th at the Foxboro Orange Hall, Madoc Township directors and committeemen for the county organization are Dennis Chapman, Allen Ketcheson and Philo Harris.

Belleville butcher and grocery store operators want all-day Monday holiday but a big delegation of owners armed with a petition requesting council to pass the necessary closing by-law Monday night went away from City Hall without their request immediately granted.

The Senior pupils of White Lake School and Minto pupils with teachers Mr. and Mrs. Marvyn Scott, chartered a bus to Toronto on Thursday, June 18th. Mrs. Doug Francis, Mrs. Roy DeMille, Mrs. Jack Francis, Mrs. Clarence Douglas, Mrs. Elvin Holland and Mrs. Harold Francis also enjoyed the trip.

On Monday, June 10th, a trossau tea was given at the home of Mrs. A. Burris in honor of her daughter, Joan, one of Madoc's most popular young ladies. The guests were received by the bride's mother, her sister Erma, and the bride to be. The spacious living room was picturesque with a profusion of flowers, radiant sunshine and colourful dresses. The grandmothers of the bride, Mrs. Burris Sr. and Mrs. Hall, of Lindsay, poured tea. Also assisting in this capacity were Mrs. Lane, Mrs. Mulrooney and Mrs. Hulin. Assisting in the living room were Mrs. Ken West, Mrs. Beatty, Mrs. Atton and Mrs. Ray Burris, while the serving was ably attended to by Mrs. A. Dymond, Mrs. Ed Armstrong, Mrs. Geo. Duffin and Misses Edna Pigden and Margaret Atton, of Tweed.

On Tuesday evening of last week, Mrs. G. C. Moon opened her home for a shower in honor of Miss Joan Burris. Humorous readings, piano selections and community singing were enjoyed by all. Then the bride-to-be was presented with a well-laden basket. She was the recipient of many lovely and useful gifts. After opening these she graciously thanked the hostess and everyone who had helped in any way to make the evening so delightful.

Miss Burris was previously entertained at a dinner party and linen shower at the home of Mrs. Lough in Toronto.

PROVINCE'S FIRST TRAILS SYMPOSIUM PLANNED

Secretary-Treasurer, Mr. W. G. Harvey, will be representing the Quinte-Hastings Recreational Trail Association at the province's first Trails Symposium being held in the Parliament Buildings, Toronto, on June 27.

In recent years, the people of Ontario have witnessed substantial growth in the popularity of such recreational trail activities as hiking, bicycling, horseback riding, canoeing, cross-country skiing, snowmobiling and motorcycling. The Provincial government is aware of the growing need to provide more and varied linear recreational opportunities and is most interested in initiating a definite course of action for the planning, development and management of recreational trails in the province.

The trails symposium will serve as the first step in the formulation of a province-wide trails program by bringing together, for an exchange of information and ideas, people people having varied backgrounds and experiences but sharing a common enthusiasm for trails. The aim of the symposium is to give interested citizens an opportunity to advise the Government on initial trail program dimensions.

Honourable Bert Lawrence, Provincial Secretary for Resources Development, will be the keynote speaker at the symposium.

NOTICE

Re. Waste disposal site

The Landfill Site will be open from 9:00 a.m. to 6:00 p.m. on the following days each week effective Monday, June 11th.

MONDAY

WEDNESDAY

FRIDAY

SATURDAY

Madoc Man Seriously Injured

A Madoc man is in Belleville General Hospital with injuries he sustained in a single car crash early this (Wednesday) morning.
Suffering severe head lacerations and listed in serious condition is David Ostrman of 303 St. Lawrence Street.
The accident occurred at 12:10 a.m. on Concession 8 and 9 in Rawdon Township, three miles west of Highway 62.
Damage to the Chevrolet Mr. Ostrman was driving was estimated at \$3,000.
Constable Robert Bonter of the Madoc Detachment, Ontario Provincial Police, investigated the incident. Cause of the mishap remains undetermined.

FRIENDLY HINTS

CAR TIRE CARE TO PREVENT FAST WEAR
Usually this column is directed towards the farm business-
man reader. This week, how-
ever, because of the holiday
time coming up, and so many
people travelling, we are direct-
ing our comments to all readers
who drive cars.

All of us who drive want good
tire wear, but to get it we have
to ensure regular tire mainte-
nance. The way you drive, the
daily temperature, and the size
of load all have an effect on
the tire wear. The quickest way
to ruin a good tire is to under
inflate it. The under inflated
tire develops too much heat and
rapid wear. Tire life can be
shortened 10 - 40 per cent by
consistent under inflation of 5 -
10 lb. psi.

Over inflation of course will
prevent overheating, but does
cause rapid wear in the tread's
centre area. The ride you get
with hard tires is rough, and
could lead to steering damage
on rough roads.

Always check and inflate
your tires when they are cold,
if possible. If a tire becomes
low when in use, adjust its air
pressure to conform to the
other tires.
If you plan to travel at high
speeds and with heavier loads
than usual, add about 4 psi
extra pressure. But do not ex-
ceed the maximum pressure
stamped on the tire itself.

Check your tires by visual
inspection every 4000 - 6000
miles for cuts, blisters, tread
wear, etc. Poor alignment or
wheel balance will soon cause
excessive wear, and/or cupping
of the tread and shorten the tire
life. It can also affect your
safety on the road.

HUNTINGDON TOWNSHIP

(Continued from Page 1)
proposed use of the parcel of
land as set out in the applica-
tion: No. B16873 Vernon Mol-
loy, Pt. Lot 8, Conc. 5.

It was moved by Harold
Thompson, seconded by Glenn
Franks that the Council go into
a Committee of the Whole on
By-laws.

Arthur Miller seconded the
motion of Ted Pollock, that
By-law no. 1032 to establish a
time and place for regular
meetings of council of the
Township of Huntingdon be
passed.

It was moved by Harold
Thompson seconded by Ted Pol-
lock that By-law No. 1033 to
set out statutory holiday pay
for full time employees and
additional paid vacation for
employees employed for ten
consecutive years be passed.

A motion was made by Arthur
old Thompson, seconded by Ted
Pollock, that By-law No. 1034
to set the 1973 Mill Rates for
the Township of Huntingdon be
passed.
It was moved by Ted Pollock,

seconded by Arthur Miller, that
"Schedule A" be attached to the
Building By-law No. 1026 to
provide that where no strapping
is used on ceilings, the ceiling
joist shall be spaced at not more
than 16 inches centre to centre.

A motion was made by Arthur
Miller, seconded by Glenn
Franks, that Council resume to
general business.

Mr. Elvin Holland presented
Road Voucher No. 4 for Coun-
cil approval of payment.
Arthur Miller seconded the
motion of Harold Thompson,
that Road Voucher No. 4 in the
amount of \$4,411.54 be approved
for payment.

Mr. Ken Tompkins, Road
Superintendent, reported to
Council.

It was moved by Arthur
Miller, seconded by Ted Pollock,
that a special meeting be held
on May 17th at 8:00 p.m. to
complete unfinished business
and to complete plans for the
official opening of the Township
Garage.

On motion of Harold Thomp-
son, seconded by Glenn Franks,
council adjourned.

IN MEMORIAM
FITZGERALD - In loving
memory of my husband,
Percy, who passed away July
29th, 1970.
His helping hand was always
first.
To render any aid he could;
His voice was always raised in
praise.
His words were wise and
good.
Dear husband since you've gone
away.
The ones you loved so true:
Try hard to carry on the way.
We know you'd want us to.
Always remembered by wife
Alice

FITZGERALD - In memory of
our dear Grandfather, Percy
Fitzgerald, who passed away
July 29, 1970.
We love to think of our dear
Grandfather.
In mansions bright and fair,
Where Jesus reigns in glory.
There is no sorrow there.
Always remembered by the
grandchildren.

ENGAGEMENTS
Mr. and Mrs. Roy Brownson,
R.R. 4, Madoc, Ontario are
pleased to announce the en-
gagement of their daughter,
Gail Marie Josephine to Mr.
Douglas Stuart Murray, son of
Dr. and Mrs. R. B. Murray,
Stirling, Ontario. The marriage
will take place August 4th,
1973 at 7:00 p.m. in St John
the Baptist Anglican Church
Madoc.

PROV. CONST. D. C. BUSH

Provincial Constable D. C. (Dennis) Bush joined the Ontario Provincial Police in February 1967. After attending an orientation course in Toronto, Dennis was posted at Madoc Detachment. In 1965 he graduated from the Law Enforcement course at Ontario Police College in Aylmer.

Prior to joining the Ontario Provincial Police, Dennis was employed with Beer Pre-Cast Concrete in Toronto and General Motors of Canada in Oshawa.

Dennis was born at Belleville, Ontario and received his elementary and secondary school education at Stirling, Ontario.

He is married and has two children. Dennis belongs to the Madoc chapter of the Masonic Lodge. Among his interests are hunting and fishing.

REVIEW
CLASSIFIEDS
FOR
QUICK RESULTS!

(by Jack Ellis, M.P., Hastings)
The weekend caucus of the Progressive Conservative Party on June 1, 2, and 3rd was organized by freshman members and designed to review policy proposals which have been worked out by standing policy committees of caucus since the Session began, seven months ago.

Because of limited time, discussion was concentrated on three general topics: Economic, Housing and Urban Affairs, and Energy policy. There was also discussion on the corporate tax proposal before Parliament.

As your Member from Hastings, I had the opportunity of acting as Secretary of the portion of the caucus dealing with economic matters. This however, did not prevent me from having input into the other portions of the caucus as well. A series of conclusions were approved and will be referred immediately to the Policy Coordinating Committee of the Party.

The policy recommendations had certain common denominators. There was general agreement that Canada needs to change the basic economic stance of the Liberal government which is locked in to economic assumptions in the 1930's and 1940's but are not satisfactory in the 70's. We are committed to bring economic assumptions in Canada up-to-date.

To this end, we reject the traditional concept that Canada's economy can be directed solely through centralized fiscal and monetary measures. Our inflation and chronic unemployment demonstrate it is not working nationally. In addition, this policy of the 30's and 40's has failed to serve the regional requirements of Canada in seeking a solution to these regional problems. We intend to consider the advisability of establishing a decentralized structure for the Bank of Canada to make it more sensitive to the needs of our five main regions.

We believe that Canada needs, in addition to fiscal and monetary controls, an incomes policy now. Our earlier suggestion of a 90-day freeze on wages, prices and dividends is part of this broader concept.

We accept as a basic premise that Canada today is a mature

Weekend Caucus Brings New Life To Progressive Conservative Party

country, and need not be treated as an economic satellite of the U.S. as is present government philosophy.

With intelligent economic policy, Canada can decide her own economic future in the world. This basic premise may be the sharpest difference that will be demonstrated between Progressive Conservative and Liberal policy in the months to come.

Flowing from the premise is the recognition that the greatest value of our resource wealth is as a basis for industrial development here in Canada.

It is inexcusable that in a country with such resource wealth, the lack of National Resource Policy has prevented the effective use of the nation's greatest economic asset.

As part of such a policy we will propose the immediate construction of a National Power Grid to give Canadians first chance at the use of hydro power at minimum prices in all regions.

It is our view that Liberal economic mismanagement is shown most vividly in housing. For the past decade, Ottawa has abandoned housing in this country, with the result that housing prices have soared to the highest on the continent.

Our major thrust in urban policy is that Ottawa must accept much more responsibility in this field and work along with the provinces and municipalities to help solve their

problems. We recognize the difficult problems of jurisdiction. Our commitment is to resolve those problems so the home-owner will no longer be the victim of disagreements among governments and wrongly applied monetary and fiscal policies.

We intend to make massive federal contributions to facilitate the servicing and development of raw land for housing purposes.

In short, the week-end was well spent. Although it made a long week longer, it more clearly defined our goals, gave new members like myself, an opportunity to contribute heavily to policy and in fact, determined new policies in keeping with a modern Canada.

COOPER

Mrs. Thos. Ash, R.R. 1, Madoc and Mrs. John Helm, Hamilton spent a few days recently with Mr. and Mrs. Claude Keene and boys.

Mr. and Mrs. Ivan Belcher, Belleville, Mr. and Mrs. Bray, Niagara Falls and Mr. Jim Bray, R.R., Kingston were callers at the same home.

Mrs. Cor. in Veld and her brother Mr. Klaas Bruhn were last Thursday afternoon callers of Mr. and Mrs. Maurice Reynolds, R.R. 5, Trenton.

Mr. and Mrs. Herb Brady were Saturday visitors a week ago at the home of Mr. and Mrs. Maurice Reynolds, R.R. 5, Trenton.

Mr. and Mrs. Wm. Fitzgerald were callers of Mrs. Frank Parks one evening recently.

Mrs. Gordon Holmes spent last week with Mrs. Garnet Holmes and Celestine, Gananoque while Garnet was away.

Miss Bonnie Gordon, bride-to-be was tendered a shower at the Community Centre a week ago Saturday evening.

Mrs. Annie Sloan, Mr. and Mrs. Tom Daly and Elisee, Glasgow, Scotland are visiting Mr. and Mrs. Tom Sloan and family for three weeks. Mrs. Sloan is Tom's mother.

Mr. and Mrs. Chas. Lobb, Norwood were Wednesday afternoon callers of Mr. and Mrs. Russell Kavanagh. On Sunday afternoon callers at the same home were Mr. and Mrs. Wes. Chamberlain, Norwood.

Mrs. Bill Hughes, Colin and Katherine, Amherstview returned home Sunday after spending two weeks with Mr. and Mrs. Rex Rollins while Mr. Bill Hughes was working at Barrie.

Mr. and Mrs. Norman Cox, Carp visited Mr. and Mrs. Rex Rollins on the weekend.

Mr. and Mrs. Earl Parks, Belleville were last Saturday visitors of Mrs. Frank Parks.

Mrs. Leonard Graham has returned home from Belleville General Hospital a week ago Friday.

Miss Laura Blaney, Toronto, spent a week recently with her sister, Mrs. C. B. McCoy.

Mrs. Margaret Fox, Madoc called on Mrs. Wm. Fitzgerald and Mrs. Rex Rollins on Saturday afternoon.

Mr. and Mrs. Fred Bailey spent a few days last week with Mr. Ross Bailey, Arnprior. They called on Mrs. Virgil Plager and family, Arnprior and Mr. and Mrs. Don Martin and family, Fitzroy Harbour. They were also Sunday supper visitors of Mr. and Mrs. Leo Murphy, Tweed.

LOYALIST COLLEGE

IS OFFERING

A Special Course In Ceramics

COMMENCING JUNE 25th

Loyalist College will present a special interest course in Ceramics for summer residents at their Wallbridge-Loyalist Road Campus.

Instructions will include Hand Building using basic methods and beginners wheel. Introduction to glazes will be given for those students enrolled for more than ten hours. Discussion and brief lectures will be given weekly.

Classes will run for two hours per day, Monday to Friday inclusive, from 10:00 a.m. to 12:00 noon, commencing June 25th, 1973 for ten weeks.

Registration will be by block units, each covering ten hours of instruction per week. Students may repeat as many registrations as desired. Fee will be \$5.00 for each ten hour block.

Register by mail or in person before 12:00 noon each Thursday for the following week of instruction during this ten week period. Contact Mr. H. Adams at the Registrar's Office, extension 238, 982-9501 or write to Loyalist College, Box 4200, Belleville, Ontario.

R. R. 1, CLOYNE

Mrs. Cecily Mataschuk, Roy and Maggie, of Madoc spent the past weekend with Mr. and Mrs. John Mataschuk of R.R. 1, Cloyne.

Get well wishes are sent to Mr. Bill Scott Sr. who is a patient in Kingston General Hospital. We all wish him a speedy return to good health.

Mr. and Mrs. Charlie Martin and family of Deseronto, Mr. and Mrs. Fred Bush of Napan, and Mr. and Mrs. Norman Rogers and Crystal spent Sunday, June 10th, with Mr. and Mrs. Sydney Rogers.

Mr. Roy Rogers is visiting with his parents Mr. and Mrs. Sydney Rogers.

O.P.P. REPORT

Since June 1st, seventeen motor vehicle accidents were investigated. Seven persons were injured and damages were estimated at \$5,265.00.

As a result of a break, enter and theft in the hamlet of Atimiole, three juvenile boys were charged, contrary to the Criminal Code of Canada and the Juvenile Delinquents Act.

Seven other break and enters were discovered in the area of Dickey Lake. Total damages were estimated at \$359.00. Liquor was the most popular item stolen. Two male subjects, ages 16 and 20, were charged in connection.

A found army artillery shell was turned over to C.E.B. Trenton. It proved to be only a

novelty of the First World War. It was of no value and it could not have been detonated.

Four requests for periodic checks, four reports of missing persons, and two compassionate messages to be delivered were handled along with one report of a lost trailer marker.

The Marine Patrol from this detachment registered three charges of "Insufficient Life-jackets while on patrol on Maura and Crowe Lake.

A Tweed man was charged with "Assault Peace Officer" and he struck an officer whom had stopped him for "Impaired Driving".

Other Criminal Code Charges: Cause a Disturbance - 2; Assault Causing Bodily Harm - 1; Mischief - 1.

Liquor Violations: Having Liquor in a Place other than Residence - 5; Minor Consuming Liquor - 1; Drunk in a Public Place - 2; Impaired Drivers - 4. R. N. Dowse, Sergeant.

Bannockburn

Mr. and Mrs. Kenneth Dixon, Belleville, were guests of Mr. and Mrs. Harris one day last week.

Mrs. Thos. Sandford and Mrs. M. Simpson called on Mr. and Mrs. Moran, Saturday evening.

Mr. and Mrs. Harris were guests recently with Mr. and Mrs. Palmer at their cottage, Moina Lake.

The Young People of Zion Church, Gilmour, were guests of the Bannockburn Young People on Friday night with Mr. Stanley Robbins, Gilmour, as speaker.

Mr. and Mrs. J. Moran were guests of Mr. and Mrs. Henry Whitten at Cooper, one day last week.

Mr. and Mrs. Harold Palmatier, St. Ola, were callers in town one evening last week.

THE HASTINGS COUNTY BOARD OF EDUCATION

AUDITORS' REPORT

TO THE SUPPORTERS OF

THE HASTINGS COUNTY BOARD OF EDUCATION

We have examined the Balance Sheet of The Hastings County Board of Education as at December 31, 1972 and the Revenue Fund Statement of Revenue and Expenditure and the Statement of Source and Application of Capital Funds for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these Financial Statements present fairly the financial position of the Board as at December 31, 1972 and the results of its operations and the source and application of its capital funds for the year then ended, in accordance with accounting principles generally accepted for Ontario School Boards applied on a basis consistent with that of the preceding year.

C.H.S.S. REPORT

By Pete McMillan:

It's finally over. After almost nine months of sitting in classrooms, listening and absorbing every word the teacher utters, we can all breathe a little easier. For a little while some of us will be taking it easy. Others will be working on projects with the Opportunities For Youth programs. Some will be with the cadets. Still others are going to Ipperwash, Ontario planning a summer of work outside school life. Well, whatever you're going to be doing, I'd like to take this opportunity to wish you a happy summer and good luck.

Well, as you may imagine, last week was another quiet one, as far as activity goes. On Tuesday during the activity period an assembly was held to honor the athletic achievements of the school. The concert band opened the ceremonies with the playing of 'O Canada'. A slide display by Mr. Desowsky set to music followed. Bars in the school colors were presented to the teams of the school.

Then finally the big moment arrived. The presentation of a trophy and portrait to the top male and female athletes of the school teams and Intramurals. The winners were: Ellen Gollick and Art Reid for intercollegiate and Ray Murphy and Gayle Carmen for Intramurals.

This was a really good year. Who will forget the times we had - like the Tri-Town Benefit Night or the Commencement. We got a new principal, Mr. Beevor, who replaced the retiring Mr. Griffith. There were the sports teams; like the Senior Football team (who were averately improved over the last

3 seasons), the Junior Football team, the Girls Volleyball and Basketball teams and the boys Volleyball team (which won the C.O.S.S.A. championship).

We had Towne Meetings with celebrities like Television Stars, Movie Stars, Ex-convicts, people from all walks of life.

All these things go to making the school life a bit more interesting and a bit easier to take.

Well, that's about it for now. Exams are still being written and next year is another year. I'd like to take this opportunity now to say thanks to the Madoc Review for the opportunity to show the community what goes on at Centre Hastings. Not everyone who made contributions or all the events that took place have been mentioned due to lack of space (or other reasons). For this I apologize. So have a good summer and we'll see you next year.

MOTHER'S GERMAN RESTAURANT UNIQUELY DIFFERENT

At first glance Mother's Restaurant on the Black River Road north off Highway No. 7 east of here, obviously is a uniquely different place to enjoy a meal.

Designed by Fred and Will Kutsch, the Alpine chalet style building was constructed by Ken Gordon and Joe Ash during the Kutsch family's six-week vacation in Germany. It features a full length verandah across the front with a decorative railing in burned wood to match the interior of the restaurant. By the entrance at the centre is a porch roof supported by light pillars and a carpeted stairway leading to it. The scalloped edging on the roof and the shutters and flower boxes in the windows complete the setting perfectly. The building sits on a concrete block foundation and is finished with aluminum siding.

Inside, the dining room is decorated in an old Bavarian pub style. The furnishings are fashioned from wrought iron, the floor is carpeted and the tables are covered with red

checked cloths, all tastefully designed by the Kutsch family. Reproductions of old drawings of German cities, etched on Magnesium sheets are just some of the interesting wall decorations in the dining room. At the front counter is a large old-style cash register and a collection of old steins and souvenir flags brought directly from Germany. The setting is complete with a large cuckoo clock with a water wheel, a dancing couple and an entertaining chime that plays on every hour and half-hour. The lighting and the curtains are much the same as they were in the original restaurant, but a red plaid wall to wall carpet has been laid.

The homey atmosphere is completed by a stereo music system which can be heard both inside and outside of the building. An air conditioner has been installed to add to the comfort of the guests and the building will be heated electrically during the winter.

It is a three-storey building with living quarters in the top storey, the dining room on the main floor and a banquet room with a seating capacity of 100 on the first floor. Although the first level is not expected to be completed for at least two months, it may also serve as a dance floor. The Kutschs are making plans to apply for a liquor license and, if they are successful, they may have dances there on a regular basis.

The spacious new kitchen is equipped with commercial ranges and grills, steam tables and commercial coolers.

The Kutsch family wholeheartedly support their community, having hired all local

craftsmen to work on the building and buying their materials locally whenever possible.

There will be 12 on the restaurant staff full-time, and all will be from the community as well. 'Mother' will be back in the kitchen preparing the delectable meals which have satisfied the palate of many in the past. The menu will offer the same German meals and the original business hours, 12 noon to 10 p.m. daily, will be kept.

The ribbon-cutting ceremony to officially open the restaurant will take place this Saturday at noon, with the Reeves of the surrounding municipalities in attendance.

Student To Make Film On Madoc

Garry Almas of the University of Windsor is planning a documentary film on Madoc and the surrounding area.

He will be spending some time here around the end of September and the first of October producing the film. Meanwhile, he is collecting information on the background of the Village and will be attending all the special events occurring in the area. He would appreciate any individual who feels he or she could contribute to the film contacting him at 118 Selkirk St., Chatham, Ontario.

He says he sees the Village as a unique community and is very interested in both background history and current activities, which all add up to making up the town.

Mr. Almas says he hopes to have a print to give to the town when he has completed the film.

Peter Ramsay To Receive Medal From The Queen

To Print 5,000 Copies For Madoc's Largest Sidewalk Sale

A spokesman of the Business Promotional Committee of the Madoc District Chamber of Commerce informed the Review this week of the upcoming Madoc Sidewalk Sale and Bargain Days, Friday and Saturday, June 29th and 30th.

Approximately 20 merchants will be displaying their merchandise on the sidewalk for these days at bargain too good to pass up.

By the looks of things, this could be one of the largest

Monday, twenty-two-year-old Peter Ramsay of Madoc was named one of six Ontario citizens to receive the new Medal For Good Citizenship.

Challenge for Peter Ramsay started at birth. He and his twin brother, Paul were the last of 18 children born to William and Mary Ramsay of Millbridge north of here. (His real name is Larry, his brother's Gary, but maternity nurses at Belleville General Hospital's nursery

gave them nicknames that stuck.)

From birth, says Peter, he had the pulio condition which makes it impossible to stand. He uses crutches, at times a wheelchair. More than 20 operations were performed in earlier years in attempts to correct the condition.

At 11, he was sent to the Ontario hospital at Smith's Falls. His outgoing attitude got him involved with helping

other youngsters in the hospital. Projects during his eight-year stay included organizing floor hockey teams that included deaf and mute youngsters as players. He also helped raise funds for birthday parties for orphaned children.

He came out of hospital four years ago. Mr. Ramsay had died in the meantime and Peter's mother and twin had moved here.

At home he began an education long-delayed by his disability. Starting "right from scratch" he has now reached grade 4.

Simultaneously, he became involved in community activities. Hockey is a personal passion and he began organizing youngsters who hadn't made local teams, coaching and managing what locally became known as Pete's team.

At the moment he's pondering the possibility of new horizons. Having lived for some years on a disability pension, Peter's "next project is to get out and get a job and be independent."

He's being helped in the hunt by Canada Manpower officials in Belleville — where his hopeful employment will be found.

If so, he will move to the city. If he can't find suitable accommodation for his mother and brother, Peter hopes to become a resident of the Cheshire Home for handicapped adults now being discussed for the city.

In Belleville, he says, he wants to give his time to community work and helping other disabled persons.

The award recognizes the "force for good" exerted by people like Peter Ramsay acting in ways "generous and useful — simply because they themselves felt they should."

In making the announcement, Premier William Davis said the six recipients will be presented to Queen Elizabeth on Monday, June 26th, after being invested into the Order of Good Citizenship by the Governor General.

The order came into being when Mr. Davis announced Cabinet approval for the award last week.

The recipients will receive a silver medal with the Ontario coat of arms engraved on one side and a trillium on the other.

Ray Burris will accompany Peter, as guests of Clarke T. Rollins at the King Edward Hotel during their trip to Toronto.

Mr. Rollins and Mr. Burris will be with Peter throughout his stay in the city.

Peter Ramsay who is to receive a medal from the Queen on Monday.

C.H.S.S. PREPARES FOR ENTRANCE STUDENTS

Centre Hastings Secondary School is preparing to welcome students entering high school for the first time in September, 1973. Each student graduating from grade 8 in the elementary schools of the Centre Hastings area has been "drafted" into one of five "Houses" at C.H.S.S.

The "draft" was held in May for the third consecutive year. It is a co-operative effort between the House Chairmen (C.H.S.S. staff) and a panel of Year 1 students from each House who attended one of the elementary schools the previous year. This arrangement gives each elementary school, as well as each House, representation on the draft board.

The purpose of the draft is twofold; firstly, it makes the task of assigning new students to Houses more personal in that someone on the draft board knows the person rather than seeing only a name. Secondly, by controlling the draft sequence and number of rounds, a balance of talent, achievement, and male or female distribution can be maintained. After each student has been selected by a House, the House Chairmen then assigned them to specific classrooms in their respective Houses.

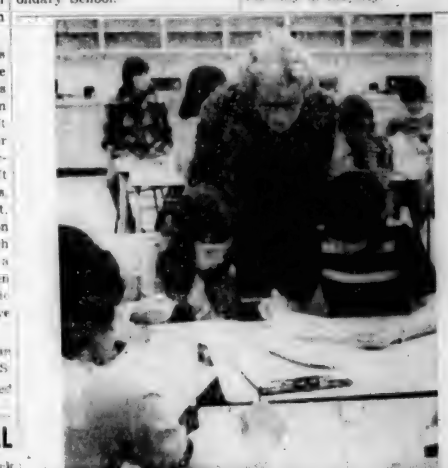

The elementary schools from which students attend C.H.S.S. are Marmora Sr. P.S., Sacred

Heart - Marmora, Madoc Public School, Tweed-Hungerford Sr. P.S., Tweed, St. Catharines - Tweed, and Stirling Public School.

The names of the "Houses" at C.H.S.S. are Scorpio, Gemini, Sagittarius, Leo, and Libra.

During the summer every student who will be attending C.H.S.S. in September will receive a letter informing them which House and homeroom they will be in.

The staff extends their best wishes for a pleasant summer and an enjoyable and rewarding career at Centre Hastings Secondary School.

Mrs. Joan Graham, House Chairman of Leo House, with Sandra Cole of Marmora Public School, left, and Kathy Bateman of Madoc Public School, as they prepare for their September entrance into C.H.S.S.

PROTEST GETS RESULTS FOR CLOYNE SCHOOL

Northern students' and parents' demonstrations over the grant ceilings imposed by the ministry of education on North Addington Education Centre in Cloyne has brought results.

Minister of Education Thomas Wells has informed the MPP for Frontenac-Addington, Dr. W. J. Nuttall, that amendments in grant regulations will be made to give "very small secondary schools" larger operating grants.

But the protesters' victory has miffed some Lennox and Addington county trustees. They contend that the board presented the same arguments to the ministry of education as the

parents and students and got no response. Trustees made two trips to Toronto and presented the same information as the citizens gave in their brief, they say.

A special meeting of the board is expected to be called to consider the minister's action.

Discontent over ceilings on expenses in educational spending led to student walkouts and demonstrations in Cloyne, when the board announced it would have to reduce staff and cut some options in the secondary school. The pupil-teacher ratio, one of the lowest in the province, would have been raised.

One of the leaders of the ratepayers' protest movement was Lennox and Addington trustee, Roy Holtzhauser. He commended the staff of the school for "making parents so well informed" on the consequences of the ceilings.

In a letter to Mr. Holtzhauser from Dr. Nuttall, announcing the additional grants, the riding incumbent said the protesters' success was largely due to a "well-prepared brief."

"I am disappointed personally in the way the minister handled it," said trustee Hugh Kerr.

The Madoc Township Public School Choir, below, favoured with a variety of selections during last Wednesday evenings, Spring Festival at the school. Novel presentations, including "Tip Toe Through The Tulips," in a garden setting, by the group shown at the left were very much enjoyed by the capacity crowd.

Miss Vicki Stewart recently graduated from the Edith Cavell Regional School of Nursing in Belleville, Ont. Miss Stewart is the daughter of Mr. and Mrs. Frederick L. Stewart and granddaughter of the late Fred Stewart and his wife, Catherine, now a patient in Marycrest.

Schools Visit O'Hara's Mills

The Hastings County Board of Education, in co-operation with the Moira River Conservation Authority, has arranged tours for elementary school students of the O'Hara Mills Conservation Area. Since May 28, 1973, over eight hundred students have visited the historic site, located four miles northwest of Madoc.

Groups of students from schools in Belleville, Marysville, Trenton, and Bancroft, have visited the O'Hara House, the school-house, the implement shed and shingle mill, and the water-powered saw mill. The schools have also been conducting nature studies of the mill pond and the nature trail in the conservation area.

Tours have been conducted by members of a S.W.E.P. crew Elizabeth Kuglin, Tom Kuglin and Nancy Guldiner of Foxboro and Rod McNeil of Tweed, are working at O'Hara's this summer, giving guided tours through the historic buildings. They will also be conducting the many activities to be found in the O'Hara House and other buildings.

Hit and Run Driver Apprehended

A twenty-seven year old Ford mustang was apprehended following a hit and run accident on the Frontenac Road last Saturday night.

Early Sunday morning Cor-

"ORDINARY READERS"
AGREE WITH ME
ABOUT EDUCATION

By Bill Smiley

My views on education don't seem to upset the Minister one whit. He just goes around with his eyes shut droning that hypnotic chant, "The standards of education are not declining the standards of education are not declining the stan..."

However, my views do seem to strike a cord or a nerve or an open wound among a good many other people.

A recent column on education has attracted more mail than anything I've written since I churned out, "Sex and the Editor." That was when I was a weekly editor, and it was a hot number, I can tell you. There were no leftover papers that week.

I know. You want me to reprint it. Sorry, I'm a school teacher now, and as everyone knows, except a lot of teachers, school teachers must maintain the highest standards of morality, sobriety and taste. Besides, it was harmless. Just a device to sell papers where circulation was slumping a bit.

Where was I? Oh, yes, letters about education. Following are some excerpts from letters received from ordinary readers, if there are such creatures. I've never yet met a person who considered himself ordinary. And why should I? We're an extraordinary lot. If you don't believe me, take a good look at yourself, then at your neighbours, then at our "leaders". They may be a lot of riffraff, but there's not one who is ordinary.

From a merchant: "You have stated publicly what a great many of us think, but our means of communication is not as wide as yours. The Mickey Mouse and Donald Duck courses they have in high schools and so-called colleges now would be a big joke if they were not doing harm to our young people and were not so costly. . . . It would appear from the reports of the meetings that all is beautiful in education land and seldom is heard a discouraging word. In our local brain factory, the students seem to be running the side show."

From a mother: "We have seen the system deteriorate rapidly. We have a son in last year law and one daughter in her last year university who managed to be outstanding students who could read, write and spell and didn't have wise and wonderful sex education in the school. What has that brought us? An epidemic of v.d. and related social problems."

She goes on: "Another problem is too many working mothers. Women's Lib will hate me! One of our finest teachers told me he could tell in a week which children had mothers in the home, and which ones had working mothers."

From an ex-teacher: "I am one who was educated in the old way and used to love gram-

mar class. . . . My daughter, who is a Grade 2 teacher, says what terrible English the children use. . . . I'm sure that the high school students of today who are dropping their language courses are doing it because they don't have the basic English grammar."

From a minister: "Let me put in a word for poor spellers. . . . Teachers insist that spelling laws are like the laws of the Medes and the Persians — unchanging, unchangeable, as it was in the beginning, is now and ever shall be. . . . So generation after generation we persist in foisting (or is it foisting) the spelling quirks of the middle ages onto our children. It's foisting, but I agree."

From a teacher: "I do not wish to needlessly send your blood-pressure up another point, but sorrow likes company and your May 24th article was welcomed in our school as a most timely and healthy counterbalance to the . . . irresponsible articles from the Blank County Board of Education. . . . our board likes to be very avant-garde in the rush towards doomaday." Hey, teach, there's a split infinitive in your opening sentence.

Well, that's just a sampling of the letters. I don't agree with everything they say, but I'm pleased there is evident concern about the quality of education.

And I don't plan to keep backing away at the subject. There's nothing duller than a farmer who can talk about nothing but farming, an editor who can talk about nothing but newspapers, or a teacher who whines all the time about education.

It's near the end of June and I'm too hot and tired to get excited about much of anything. I've just crawled out from under an avalanche of 255 essays and short stories which I marked in my "spare time" and I have almost ceased to care how anybody spells anything.

And I must say that there's a tremendous interest in education during the last week or so. Guys and dolls who have spent approximately as much time this year on their school work as I have spent being a millionaire have suddenly lost all their apathy. They come up to their teachers with the most appealing, wistful smiles and wonder whether they are going to be recommended, or whether they'll have to write the exams.

They're pitiful and pathetic, but they'll see that Old Smiley has a heart of solid steel. Or butter.

UNIQUE MEDICAL STORY TOLD BY SON OF FAMED MADOC NATIVE

(By Belinda MacKnight)

"The Special Education girls are to be congratulated on their tremendous project on the late Dr. Allan Roy Dafoe. The records you kept of inquiries and replies about him and his work are excellent. Congratulations."

"This was the praise received from Mr. W. A. Dafoe of Toronto, son of the late Allan Roy Dafoe, when he visited Centre Hastings Secondary School on Monday, June 11th.

Included in the class records are the following: (1) letter to Historic Sites Board applying for the plaque for the native of Madoc who delivered the Dionne Quintuplets in Callander on May 29th, 1934. (2) letter to and from the brother of Dr. W. A. Dafoe (age 83) who assisted Dr. Allan Roy Dafoe with formula for the quintuplets. (3) letters to and from the son, W. A. Dafoe (Monday's guest) with many details concerning the famed doctor. (4) letters to and from A. V. Centre and Loyalist College concerning the video taping of the film, "The Country Doctor". It was hoped that it could be retaped as the original film starring Jean Hersholt, as Dr. Dafoe's is very brittle now. 5. newspaper clippings including (i) one from February 21st, Madoc Review telling the unique story using letters; (ii) one of May 29th, 1973 when the three surviving quintuplets celebrated their 39th birthday; (iii), stories of unusual and multiple births; (iv) recent records of quintuplets are ones born in January, 1973 to the Baer family in Illinois; the three year old Kienart quintuplets of New Jersey.

Mr. and Mrs. Dafoe were welcomed and introduced to the class by one of the leaders of the Dafoe project, Belinda MacKnight.

Mr. Dafoe was able to add much enrichment to the knowledge of the class by showing many artifacts of his famed father.

When W. A. Dafoe and his wife were married, it was Dr. A. R. Dafoe who gave his future daughter-in-law in marriage as her own father was not alive. Mrs. Dafoe assisted her husband in adding reinforcements to each of the girls in the projects.

A few details are provided on each of the artifacts that were passed among the girls.

O.B.E. AWARD

The O.B.E. - Order of the British Empire was an award received by Dr. Allan Roy Dafoe in 1935 from King George V. This award was viewed and handled by each of the students. It is 2 1/2 inches in length and has four three-leafed points. At the top of the award is a crown signifying royalty. The inscription on the medal is "For God and the Empire." The picture of the centre is of Queen Boadicea, an early queen of Britain.

Pupils who last year had viewed the Victoria Cross won by John Weir Poole, V.C., compared the two medals. They were of similar size and similar shape - at least four points. Both awards are made to members of the Commonwealth countries.

Mr. W. A. Dafoe, has read stories of many Canadians receiving these awards and pupils will be making a record of Canadians in the future who receive these O.B.E. awards.

QUINTUPLET SPOONS

Among the Dafoe souvenirs of the Dionne Quintuplets was a set of five 6 inch spoons. At the handle of each spoon was a 2-inch figure of a quint. Between the handle and the dipper part was the name engraved taking about 1 1/2 inches for the letter printed vertically. Although the Dafoes own all five spoons, they brought the Marie, Annette and Cecile with them.

ROYALTY

As well as receiving a medal from the King, Dr. Dafoe and the quintuplets were received by King George, Queen Elizabeth, Princess Elizabeth and Princess Margaret on their Canada tour in 1939. Mr. Dafoe referred to his late father's comments on this occasion. The King was remembered as shy, the queen as gracious.

Stamp collectors noted with interest the collectors item with respect to stamps. Dr. Dafoe had a letter stamped by the Royal Train in 1939. These stamps on this letter were one noted by students Harry Reid in a recent editorial in the Campbellford Herald. Harry mentioned two stamps that marked the royal visit in 1939. One stamp showed each prin-

W. A. Dafoe and Belinda MacKnight holding O.B.E. award.

cess in a separate block; another stamp showed the king and queen in separate blocks. A third stamp on the letter marked by the Royal Train was one showing the national war memorial in Ottawa.

1973 ROYALTY STAMP

Recently students received notice from Postage Stamp Division, Confederation Heights, Ottawa, that they could have letters stamped by the Royal Train. To do this they place an 8c stamp on a self-addressed envelope and enclose 25c to cover the cost. This is mailed in another envelope to Royal Train, Postal Station A, 17 Front St. West, Toronto, Ontario. Stamp Collectors haven't had an opportunity to do this since 1951.

SHOE

Another souvenir was a shoe worn by Dr. Dafoe and his son, W. A. Dafoe. This shoe was 4 1/2 inches in length and with one button on the ankle. This shoe had been metalized and was inscribed on the bottom with the following: "Allan Roy Dafoe, Madoc, Ontario, May 29, 1933. William Allan Van Deuse Dafoe - Callander, Ontario, May 24, 1917."

WATCH

The watch worn by W. A. Dafoe was presented to Dr. Dafoe on May 29th, 1935 by a news agency as they marked a year since the quintuplets birth. Engraved on the back of the watch were the following words: "Dr. Allan Roy Dafoe, in recognition of a pleasant association and with highest regard of the N.E.A. service."

PHOTOS

Among the photos that were brought were two that were given to Belinda MacKnight to be part of the C.H.S.S. collection. One showed the Quints at a year; another showed a sketch by Charles G. Jones taken from a 1935 photo.

Also on view were the following: (1) the five girls dressed for the Royal visit in 1939; (2) a photo of Jean Hersholt when he played the part of Dr. Allan Roy Dafoe in the movie, "The Country Doctor." In handwriting on the photo was

this statement, "To Dr. Allan Roy Dafoe from his friend Jean Hersholt, 1936 In The Country Doctor"; (3) Dr. Dafoe and one of the quintuplets with a thermometer in her mouth; (4) Dr. Dafoe filling his pipe; (5) several photos of the film making "The Country Doctor".

As a token of appreciation

Darlene Veitch on behalf of the girls presented Mr. Dafoe with a 34-page record of their numerous historical findings and projects including the Dafoe Story. When he opened this booklet, "Integrated Studies Book 1973 — The Second Foxfire Book" at page 4, he saw a drawing of the 1834 school that he had attended in Madoc following the death of his mother. He attended school only a few weeks in Madoc and then attended Grove School in Lakefield. Darlene also presented a booklet, "Historic Sites, Museums and Plaques" as this booklet lists the names and locations of historic plaques in Ontario. The girls and the Dafoe family wish the plaque to be placed in Madoc as early as the Historic Sites Board sees fit to grant this plaque. At this time, the Historic Sites Board consider that one should be erected for the quintuplets before one is erected for Dr. A. R. Dafoe.

The girls' class showed their dedication as school was already dismissed but eight girls

returned to enjoy W. A. Dafoe. These girls were the following: Belinda MacKnight, Stephanie Hudson, Sharon Trudeau, Sherry Holgate, Denyse Rochon, Janice Walker, Darlene Veitch and Mary Robertson. Twenty interested girls from the public school attended. Jennifer Sprague expressed public school appreciation. Also attending was Mrs. Audrey Dafoe who

gave the information initially on the Dafoes and Mrs. Ken Bateman who last fall had encouraged the girls to keep careful records. Mrs. Bateman gave the girls one picture that is to be part of a wall plaque to be completed soon.

Mr. Bud Sutton and Mrs. Aureen Richardson represented the Special Education Department.

MADOC — ONTARIO

General Motors is pleased to announce
the appointment of:

BERT JONES LIMITED

162 RUSSELL ST.,

MADOC, ONTARIO

as an authorized dealer for:

**Pontiac - Buick - Le Mans - Ventura
Century - Astre and GMC Trucks**

We would like to suggest that you visit Bert Jones Motors. It is yet another example of the progressive and dependable General Motors sales and service centres found from coast to coast across Canada.

Like every GM dealership, Bert Jones Motors is dedicated to the paramount objective of being first by being best. It is by providing you the customers with the finest in sales and service, that the General Motors dealer family has maintained its firm position of leadership in sales and service.

Bert Jones Motors is anxious to show you how they are prepared to take care of all your present and future motoring requirements. They are proud of their new cars and trucks and their quality used cars. And if it's service you need, you will receive prompt attention and careful work provided at sensible cost.

On our part, in association with all our dealers, we pledge ourselves to remain always in the forefront in the products we offer, in the services we make available, and most importantly, in the calibre of the people who serve you.

CARDS OF THANKS

We would like to thank our many friends and neighbours for the wonderful "Farewell Party", and gifts presented to us, which was held in Plinton Hall, Sunday, May 20th. Special thanks to those who organized it, and helped in many ways, to make it such a success. Friends were present from Plinton, Kailadar, Northbrook, Cloyne, Harlowe, Napanee, Belleville, Oshawa, Toronto, St. Catharines and London. Many thanks.

Ida M. Chandler, Harry Davis, Stewart Hotel, Plinton, Ontario.

I would like to take this opportunity to express sincere thanks to all those who called on me, and for flowers, gifts and cards.

Special thanks to Dr. Derry, Dr. Dosaj and Dr. Sindal, nurses and staff of 6th floor level for their kindness while I was a patient in Belleville General Hospital.

A very special thank you to the Geen family and all those who helped at home.

Irene Lake. 25-1p

I wish to express sincere thanks to friends, neighbours and relatives for cards, letters, visits, flowers and other gifts that I received while I was a patient in Belleville and Kingston General Hospitals. And a special thanks for the kindness and help to my family while I was gone and since I came home.

Thanks also to Dr. Allen, Dr. Berry, Dr. Macintosh and nurses on sixth floor in Belleville Hospital and also thanks to all the Doctors and nurses on the 10th floor, Connell Wing of Kingston Hospital.

Eleanor Fleming. 25-1p

STOLEN CAR RECOVERED

Madoc Detachment, Ontario Provincial Police recovered a stolen vehicle on Sunday morning, after they received notice that a 1969 Mustang had been reported stolen from Scullthorpe Motors of Port Hope.

Apparently, around 9:45 a.m. Const. Wally Brown noticed a vehicle answering that description eastbound on Highway No. 7 between Marmora and Madoc.

Upon investigating, the officer found it to be the stolen vehicle, and the driver, 16-year-old Gordon Lloyd Kemp, of Port Hope, was apprehended and turned over to the Port Hope Police.

The youth had apparently broken into the office of Scullthorpe Motors at midnight Saturday night, where he obtained the keys for the Mustang and subsequently stole it from the lot.

The youth was heading for Ottawa when he was stopped by police. It was reported that he had started out for Alberta, but after travelling west for some distance, he turned around.

Apprehended

(Continued from Page 1)

stable Don Creelman of the Madoc Detachment O.P.P., arrested Daniel Edward Courneyea whose 1968 Buick had \$700 damage to the left front corner.

The Buick was discovered around 6:45 Sunday morning after a hit and run accident was reported by Charles Somerville, 40, of R.R. 1, Flinton. Apparently, his 1967 Chrysler received \$300 damages on the left front corner when it was struck on Hastings County Road 2, north of No. 7 by a south-bound vehicle which failed to stop.

IN MEMORIAM

int'eld — In loving memory of a dear husband and Dad, C. P. int'eld, who passed away June 22nd, 1972. We mention your name, And speak of you often; God bless you, dear Dad, You're not soon forgotten. Ever remembered by wife and children. 25-1

TARGET TALK

The Madoc District Hunter's & Anglers Club held the eighth shoot of '73 on Sunday, June 17th. This marks the halfway point for the year. There were 13 contestants on hand and the usual eight rounds were fired.

The prize winners for the day were as follows: Rounds 1 and 2 Joe Quinn and Floren Donaldson. This is the open sight class fired at the 50 yd range. Round 3 the 5-shot group

shoot was won by M. Quinn Jr. who fired a 5.8" group. Rounds 4, 5 and 6 were won by Joe Foley, L. Hicks and Bill Donaldson. This is the unlimited sight classification fired at the 100 yd. range. Rounds 7 and 8, the 4-power scope classification was won by R. Grass and Dr. A. Whyatt.

At the halfway point of the year the leaders in the point accumulation are: open sight, Gerry Donaldson, with 129 of a possible 160. The group leader is M. Quinn Junior with 171 of a possible 200.

The unlimited class is being led by Joe Quinn with 229 of a possible 240. And the 4-power scope leader is M. Quinn Jr. and L. Hicks, 150 of a possible 160. The next shoot is scheduled for July.

See you at the rifle range!

The highest or any tender not necessarily accepted.

Ministry of Natural Resources
Minden, Ontario.

THE CORPORATION OF THE COUNTY OF HASTINGS SENIOR CITIZENS' WEEK

"LIVING CAN BE AGELESS"

On behalf of the Senior Citizens of Hastings County and the contribution they have made toward making this community a leader in Canada today, I hereby proclaim the week of June 17 - 23, as Ontario Senior Citizens' Week in the County of Hastings. Senior Citizens' Week is for all Ontarians. It is a chance for all citizens old and young to join together in a greater understanding.

Signed,
Horace Casey,
WARDEN.

50 YEARS AGO

June 20, 1923

An Old Madoc Boy — In the Globe's report of the Nomination in Hinton County there appears a paragraph which we take much pleasure in reproducing. We are sure that all readers of the Review irrespective of party leanings will read with pleasure the following extract: To those at least who did not know him, Mr. Dale was the convention surprise package. A clean built upstanding young barrister of 33, he delivered a fluent, convincing address upon Provincial affairs which won general applause. He was not going to fight a campaign of personalities; he was convinced that class government by any profession was wrong. If elected in Opposition he would not necessarily vote against the Government upon every issue; he believed that the government had, to a considerable extent, got value for its huge expenditures, but he thought the assumption of a heavy debt burden was ill-timed. Mr. Drury observed that it was a pleasure to answer him.

The Editor of the Review. Sir:— My attention has been called to the fact that the names of many young people have been added to the voters' list who have not as yet attained their twenty-first birthday. To these persons and to those responsible for the names of such being improperly placed on the voters' list, the following will be of serious interest:— Section 177 of the Ontario Election Act: A person who votes knowing that he has no right to vote, and a person who induces or procures any other person to vote, knowing that such other person has no right to vote, shall be guilty of a corrupt practice and shall incur a penalty of \$200.00. R. S. O. 1914, c. 8, s. 177.

Mr. and Mrs. Walter Baker, of Madoc, announce the engagement of their third daughter, Mary Alice Devolin to Mr. George Henry Moorcroft, son of Mr. and Mrs. Thomas Moorcroft, of Madoc, the marriage to take place the latter part of June.

Wedding — The marriage occurred on Thursday, June 7th at the Rectory, by the Rev. C. H. de Pencier, of Miss Alice Gledhill, of Cedarvale, to Mr. Fred Gunn, of Oshawa. The young couple were attended by Miss Cecil Danks, of Oshawa, and William Mason, of Cedarvale. After a brief honeymoon Mr. and Mrs. Gunn will reside in the Queen's Apartments, Simcoe Street, Oshawa.

24 YEARS AGO

June 23, 1949

Reeve Jack Kincaid was instrumental in receiving a \$500.00 grant from the County Council to go towards the building of a new Legion Hall in Madoc. The building on the

property, which is now being used as a pool room, is to be dismantled and will be part of the new structure which will be of cement block and steel construction. It is expected work will start on the property within the next few days.

Stewart Lessard, of Tweed, has been named manager of The Wilson Lumber Mill at Madoc and is in charge of production. He returns to his home in Tweed every night. Thomas A. Wilson established the mill at Madoc last year.

Mr. P. J. Miller, B.A., who has been on the teaching staff of the Madoc High School for the past two years, has accepted a position on the staff of the Flinton Continuation School and will commence duties with the re-opening of school in September.

A large number of friends and neighbours gathered in Ivanhoe recently, in the evening, to honour Mr. and Mrs. John Courtney. G. A. Creaser acted as chairman for the evening. Mrs. Earl Benson presented the couple with a handsome silver tea service. Mr. and Mrs. Courtney have many friends in this district.

Stirling High School Board has signed an application to become part of Centre Hastings High School Area. Last year the Board refused to join the Area.

Weddings — The United Church, Queensboro, was the scene of a very pretty wedding on Saturday, June 4th, at 2:30 p.m., when Frances Edna, youngest daughter of Mr. and Mrs. John Alexander, Queensboro, became the bride of Harry Alexander Fry, son of Mr. Wm. Fry, and the late Mr. Wm. Fry, of Campbellford. Rev. Geo. B. Young, of Marmora, officiated before an altar banked with spirea, peonies and fern.

A very quiet wedding took place at Madoc Presbyterian Manse, on Saturday, June 4th, at 2:30 p.m., when Rev. M. W. Heslop officiated at the marriage of Mabel Stella White, of Belleville, to Clifford Brooks, of Madoc.

In Trinity United Church, with Rev. Alfred Poulter officiating, the marriage took place of Hazel Lois White, youngest daughter of Mr. and Mrs. George S. White, of Madoc, to Mr. Jack David Hampton, of St. Catharines, son of Mr. and Mrs. D. W. Hampton, of Toronto.

A pretty wedding was solemnized at Trinity United Church, Madoc, on Wednesday, June 8th, at 2:30 p.m., when Lillian Margaret, daughter of Mrs. H. Blakely, and the late Harry Blakely, Madoc, was united in marriage to Jack Francis Armstrong, son of Mrs. J. Armstrong, and the late John Armstrong, Madoc. The Rev. A. Poulter officiated before a background of white spirea, iris and baskets of peonies.

On Wednesday, June 1st, at 4:30 o'clock, the home of Mr. and Mrs. Thomas Ash was the scene of a lovely wedding, when under an arch of evergreen and lilacs, their daughter, Mable Grace Eileen, and Claude Milton Keene, the eldest son of Mr. and Mrs. William Keene, were united in marriage by Rev. Mr. Crabbe, of Eldorado.

The Holiness Movement Church at Madoc was the scene of a pretty wedding on Saturday, June 11th, at 1:30 p.m., when Margaret Elizabeth, daughter of Mr. and Mrs. Royal Gawley, of Marmora Township, was united in marriage to Robert Allen Tufts, of Madoc, son of Mr. Cosmo Tufts. The Reverend R. M. Borvel, pastor of the church, officiated.

15 YEAR AGO

July 3, 1958

Madoc's third Old Boys' Reunion is now over but it will be remembered by many for a long time as a most successful event in the history of the village. The weather was ideal, the entertainment excellent and the financial returns satisfactory. There were about 400 registrations and the visitors were high in their praise of the program which brought many former residents together and allowed plenty of time for visiting and reminiscing. The four days had so many highlights in the program that it is hard to select the most outstanding. Old timers enjoyed the morning spent at school, the opportunity the afternoon tea gave for visiting and the motor cavalcade. The Canadian Legion Zone Drumhead service with Madoc Branch 363, as hosts, attracted a very

large attendance. The service was conducted by Rev. T. H. Good, of Kingston. A massed choir under the direction of Mr. Ivor Hughes added to the afternoon's program, while the soloist was Mrs. Taylor Redden (nee Phyllis Beatty), daughter of Dr. and Mrs. S. R. Beatty. The address was given by Rev. T. H. Good who also conducted the service of the consecration of colours of the Ladies' Auxiliary of the Madoc Branch. Sunday morning large congregations attended church services in Trinity United Church and St. Peter's Presbyterian Church. Sunday evening a reunion special service was held in St. John's Church where the guest speaker preacher was Rev. Wm. Robinson, of St. John's Church, Ottawa. Monday morning Old Timers gathered in a class room at Madoc Public School where Mr. Geo. West welcomed the large number in attendance including a former principal Mr. J. B. Hough, who conducted the program. Monday afternoon there was a large crowd, at an afternoon tea, sponsored by the Ladies' Club of the various churches.

During the afternoon over thirty cars joined a motor cavalcade to Eldorado, O'Hara's Mill Conservation Area, Deloro and Bethlehem Steel. At Eldorado, site of Ontario's first gold mining rush a plaque, marking the location of the first mine, was unveiled by the Historical Sites Department of the Ontario Department of Travel and Publicity. Monday evening another large crowd gathered at the Park, where a community sing-song was led by Jack Kincaid. Tuesday morning Madoc's streets were jammed with visitors for the Calthumpian Parade. Tuesday afternoon two ball games with the Havelock Pipe band in attendance were held at the Ball Park. Tuesday evening over 2,000 people attended the street carnival.

Births — Carl and Jean Blakely happily announce the birth of their daughter, Laurie Jane, at St. Joseph's Hospital, on June 21st, 1958.

Mr. and Mrs. Boyd Moorcroft (nee June Dickens) are happy to announce the arrival of their son, Richard Allen, on June 27th, 1958, at Belleville General Hospital.

OBITUARY

THOMAS DELBERT CAUL
Thomas "Delbert" Caul of 176 East Motra Street, Belleville, passed away at the Belleville General Hospital on Friday, June 8th, 1973, in his 67th year.

Born near Tweed, Ontario, he was the son of the late Mr. and Mrs. Nelson Caul. He resided in Queensboro before moving to Belleville 30 years ago.

Surviving are his wife, the former Lillian A. Alexander, one son John N. Caul of Sault Ste. Marie, one daughter Margaret Atkins of Belleville, and a granddaughter, Judith Ann. Also surviving are one brother, Leo, of Belleville, and five sis-

ters, Mrs. Elizabeth Genereaux, Tweed; and Mrs. Fred (Verona) Kingsman, Mrs. George (Kay) Gow, Mrs. Mathew (Marjorie) Ryan and Mrs. Rose Hillier, all of Belleville.

Mr. Caul worked with the Belleville Public Works Dept. for 13 years before his retirement in 1970, and was a Life Member of the Public Works Employees.

The funeral was held at the Thompson Chapel, Belleville, on Monday, June 11, 1973 at 2:00 p.m., with Reverend John Utley officiating.

Bearers were Goldie Reid, Howard Storms, George Currey, Merle Robinson, Arthur Babcock and Douglas Murray.

A view of the Bavarian style dining room of Mother's Restaurant shows the theme of the decor is carried out in the furnishings, complete with the atmospheric checkered table cloths, a red carpeted floor, and wrought iron candle-style lamps.

FORCED TO MOVE TO THE CITY

On Sunday, in Tweed, Mike Cassidy, the M.P.P. from Ottawa Centre, told a gathering of the Hastings N.D.P. Association that the over-centralized planning and structure of the Ontario government is forcing the Hastings County youth to move to large urban centres.

He said that by the late sixties the Conservative government had embarked on a course which they hoped would make Toronto the centre of trade,

commerce and development for Ontario. The Toronto centered plan has led to rapid high rise housing development and proposals like Cedarwood. Cassidy went on to say that the Conservatives' obsession with the Toronto centred region had meant pouring money for development into the Toronto region while neglecting all forms of development in eastern Ontario. Cassidy suggested that if more money had been spent on development of this area, the youth of Hastings County could continue to live and work in Hastings as well as maintain a way of life which many of us treasure.

The theme of the former Ottawa alderman's speech evolved from the Conservatives' proposal for regional government in Ontario.

Mr. Cassidy suggested that most of the objectives of regional government could be accomplished by strengthening the county council structure which presently exists. He could see no need to create a large impersonal structure, as has been suggested for this area, when the framework to govern a municipality already exists at the local and county levels of government.

TRINITY U.C.W.

The June meeting of Trinity U.C.W. was held at the home of Mrs. Bruce Embury with nineteen members and three visitors present.

Mrs. Perry Brownson opened the meeting with a poem, "What Are Fathers Made Of?" Hymn 16 was sung followed by all repeating the 117th Psalm. Mrs. Brownson welcomed all, especially Mrs. Frank Daseo who has returned to spend the summer in Madoc.

Mrs. L. Bennett conducted the worship service with the theme, "Go, Tell". Mrs. A. Bristol read the Scripture from 1st Chapter of John, verses 1-10. Hymn 589, "This Is My Father's World" was sung. Meditation, Hymn 389, "O Master Let Me Walk With Thee," and prayers concluded the worship.

The offering was taken and dedicated.

The minutes of the last meeting were read and approved. The roll call was taken.

It was moved by Mrs. Farrow and seconded by Mrs. Zuffelt that we send the money for our little Korean girl. It was moved by Mrs. Bennett and seconded by Mrs. Farrow.

ended by Mrs. C. Derry that we send \$200.00 towards our allocation.

Correspondence was dealt with and Mrs. Bennett gave the treasurer's report, \$43.25 for May and \$249.75 from January to the end of May. Fifty-seven house and three hospital calls were made.

Mrs. Fred Holmes conducted the program reading, "To a Waterfall," "The Millionaire and The Scrub Lady", and "Count Your Blessings". Mrs. Albert Empey favoured us with several piano selections which we all enjoyed. Mrs. Holmes concluded her program by reading the Japanese version of the 23rd psalm, a contest on the Books of the New Testament and a contest on T.V. Commercial, followed by a prayer by "St. Francis of Assisi".

Mrs. Brownson thanked Mrs. Embury for the use of her home and everyone who helped with the meeting and closed with prayer.

A delicious lunch was served, followed by a surprise birthday cake and ice cream for Mrs. Demoreest who recently celebrated her 82nd birthday.

SPRING RALLY AT SAND HILL CHURCH

A spring rally is intended as an inspirational gathering for the W.M.S. of Kingston Presbyterian and the day at Sand Hill Presbyterian Church fulfilled the expectations of those attending admirably. There were approximately eighty in attendance.

During the morning session, Mrs. Jardine of Strathcona Park Church, Kingston, challenged all to show the strength of their Christian convictions in the way they live.

Guest speakers, Rev. and Mrs. John Kurtz were the highlight of the day. Rev. Kurtz came to St. Andrew's Church, Kingston, late last summer from Kitchener, where he had been Dean of Emmanuel College for ten years. Previous to that time, Rev. and Mrs. Kurtz had spent five years in India where both had been active in a teaching capacity. They talked of many of their experiences in India, of the life and religion of the Indian people. They wished to share the knowledge of God's great love with the people of India, to bring them a hope of salvation. Once again, the gathering was challenged — this time to carry on the W.M.S. work, to support the national Christian in India.

MOIRA RIVER CONSERVATION AUTHORITY MEETING

A meeting of the Executive Committee of the Moira River Conservation Authority was held at the municipal building, Cannifton on June 7th, 1973.

Members present were: G. Hughes, Chairman; H. Thompson, Vice-Chairman; J. Spry, D. Harvey, H. R. Frink, R. S. Morphy and H. Varty.

Also present were K. Murray Technical Advisor, S.W.E.E.P. Program and the Secretary-Treasurer.

D. Harvey — R. S. Morphy — that, the minutes of a meeting held on May 3, 1973 be adopted as read.

H. R. Frink — J. Spry — that, arrangements be made to purchase properties required for the Belleville Ice Control dams if they become available within the acceptable range of the appraised price.

R. S. Morphy — H. Thompson — that, the minutes of a Special Meeting held on May 8, 1973 be adopted as read.

R. S. Morphy — H. Varty — that, this Executive concurs with the Mississippi Valley Conservation Authority's Resolution requesting the Province of Ontario to investigate the possibility of implementing a Provincial Tree Cutting By-law for all lands with consideration being given to the various categories of land owners.

H. Varty — J. Spry — that, this Executive approve the use of the Plainfield Conservation Area for an Opportunities for Youth Project No. 311-21423 for the period July 2 to August 31, 1973 on the understanding that no future programs will be considered unless an application to use the area is received by the Executive before the project is presented for government approval.

Kevin Murray, one of the Technical Advisors presented a summary of the 1973 S.W.E.E.P. projects currently in operation in the Moira Watershed. He described in detail the project with which he and two other Technical Advisors are responsible for. It is a comprehensive survey of this Authority's Conservation Areas which will include long term planning and mapping of present facilities and proposed future developments.

The Executive discussed problems that resulted from an unexpected influx of teenagers in the Vanderwater camp areas on the May 19 - 21 weekend. It

was recommended that additional staff be assigned to duty at the gate and in the camping areas on all holiday weekends, and that the staff patrol the camp areas until after the curfew hour of 11 p.m.

J. Spry — H. Thompson — that, the Chairman of the Education and Information Advisory Board be authorized to purchase necessary audio-visual equipment after consultation with the Outdoor Education Co-ordinator of the Hastings County Board of Education.

D. Harvey — J. Spry — that, H. R. Frink be authorized to attend a symposium and workshop at the Claremont Conservation Field Centre on Sunday and Monday, June 24 and 25.

The above mentioned symposium is sponsored jointly by the Committee of Authority Chairmen and the Ontario Committee, Man and Resources National Conference.

The Advisory Board Chairmen presented short reports on the activities of their respective Board.

The meeting adjourned at 10:30 p.m.

G. Hughes, Chairman
J. H. McLeod, Sec'y-Treas.

MADOC BRANCH HOSTS DISTRICT ANNUAL OF W.I.

The Madoc Branch of the Women's Institute hosted the annual meeting of Hastings North District Women's Institute in Trinity United Church here on May 24th, with 125 ladies in attendance. Mrs. Clarence Farrow and Mrs. Wilfrid Forstell were in charge of the registration.

Mrs. F. Bailey led in a sing-song, with Miss Emma Reid at the piano.

Reverend D. W. Heard welcomed the group to Trinity United Church and wished them a successful meeting. Mrs. DeClair of Queensboro replied.

Mrs. Glen Barker, President, presided and opened the meeting with the Ode and Mary Stewart Collect.

Mrs. Rex Rollins read the minutes and the financial report. Mrs. W. J. Barlow gave the auditor's report.

Mrs. Barker expressed her pleasure in serving as District President for the past two years.

The ratification of the District Directors was conducted by Mrs. Barker.

Mrs. Clifford Barber, Provincial Board Director, brought greetings from the Provincial President, Mrs. Noblett, and gave the highlights of the spring board meeting held recently in Toronto. She mentioned the lovely articles gathered for the bazaar at the Banff Convention June 18 - 22. She also reminded all present of the Area Convention, to be held in Peterborough on October 23 and 24.

Mrs. R. Rollins read a letter from Mrs. Macklin, extending best wishes to Hastings North W.I. Mrs. B. Haggerty, Ivanhoe, led in a sing-song.

The reports of the standing committees were then given.

Mrs. Charles Irvine, Ivanhoe, gave an interesting account of her two days at the Officers' Conference at Waterloo University.

Mrs. George Williams conducted the Pennies for Friendship ceremony and told of the work done through this giving.

A lovely luncheon was served by the Trinity U.C.W.

The afternoon session began with the roll call, being answered by the branch conveners of Citizenship and World Affairs, with two minutes on the theme, "There is only one race - Humanity".

Hart's-Riggs' Branch had charge of an impressive memorial service.

Mrs. Everett Small, Essex, Past President of F.W.I.O. was the guest speaker.

Mrs. Clayton Burkitt reported on the Tweedamuir histories and announced a Tweedamuir workshop in Stirling on June

15th. Miss Kate Ann Wahl gave an account of her work as Home Economist in Hastings County and urged Junior and Senior Institutes to contact her for any help they required.

Mrs. Clifford Barber conducted the election and installation of the following officers: Past President, Mrs. Glen Barker, McArthur's Mills; President, Mrs. George Empey, Marmora; 1st Vice-president, Mrs. George Williams, R.R. 4, Marmora; 2nd Vice-president, Mrs. Max Burnside, R.R. 2, Madoc; Secretary-Treasurer, Mrs. Russell Sills, R.R. 2, Stirling; Federation Representative, Mrs. W. J. Barlow, R.R. 4, Marmora; Alternate Federation Representative, Mrs. Glen Barker, McArthur's Mills; District Delegate, Mrs. Jack Watson, R.R. 2, Campbellford; Public Relations Officer, Mrs. Dan Cooke, R.R. 2, Stirling; Tweedamuir Curator, Mrs. Clayton Burkitt, R.R. 1, Springbrook; Auditors, Mrs. W. J. Barlow, R.R. 4, Marmora; Mrs. Jas. Spry, R.R. 4, Marmora; Conveners of Standing Committees are: Education and

Cultural Activities, Mrs. Evelyn Murphy, Marmora; Citizenship and World Affairs, Mrs. Charles Irvine, R.R. 2, Stirling; Agriculture and Canadian Industries, Mrs. Alfred Akins, R.R. 5, Stirling; Family and Consumer Affairs, Mrs. Gerald Burkitt, R.R. 4, Marmora; Resolutions, Mrs. Frank Slater, McArthur's Mills.

Previous to the installation of officers, Mrs. Gerald Russett of Wellman's entertained with two lovely solos, "Bless This House", and an Institute song she had learned while at the Officer's Conference.

Mrs. George Empey thanked the retiring president, Mrs. Glen Barker, and presented her with a gift.

Mrs. Empey closed the meeting by all singing the National Anthem.

Village Well Losing Head

Clark-Treasurer Tom Burnside informed the Review yesterday that the No. 1 Village well is losing head.

He explained, that the water level is dropping off and added that an extended period of dry weather could cause problems. The pressure has been reported at 51 feet.

An official of the Water Quality Branch, Ministry of the Environment, said it would be safe to use the water of the No. 2 well beside the Kiwanis Centre, but advised Council that it should be used to assist the No. 1 well for a short period of time if it becomes necessary.

It has been several months since the No. 2 well has been used.

Peter Ramsay Receives Medal

Peter Ramsay brought pride and honor to the Village of Madoc this week when he was presented with a "Good Citizenship Medal" by Lt. Gov. W. Ross MacDonald at Queen's Park in Toronto Monday.

Yesterday, he and the other five recipients of the medal were presented to Queen Elizabeth on her second day of her current visit to Canada.

When he gets back home, Peter says, his friends and neighbours will have a chance to see the decoration for some time to come. He will be wearing his medal "around town for a while" before he frames it.

The twenty-two year old man received the medal for his citizenship in managing his own hockey team here, although crippled from birth.

Before receiving his medal, Peter also talked hockey with Premier William Davis, who told the recipients he felt it was time to recognize people who go beyond the responsibility of citizenship in their community. He added that the award would be presented annually by the provincial government.

The medal Peter will be sporting when he returns home is about as big as a silver dollar, embossed with the Ontario coat of arms and the trillium, the provincial flower. Its ribbon is green, yellow and white.

MRS. DONNA KOOSTRA (nee Graham) formerly of R.R. 2, Madoc, graduated from the Edith Cavell Regional School of Nursing Saturday, June 16, 1973. She was a graduate of Centre Hastings Secondary School.

BRIMMING WITH BARGAINS

Mrs. Margaret Derry Retires After 25 Years At Madoc Public School

Twenty-five years of teaching in the Madoc Public School was recognized for Mrs. Margaret Derry when she was honored at a retirement tea by the Women Teachers' Federation of Ontario on Wednesday, June 13th in Stirling.

Mrs. Derry was presented with a corsage and the following address was read by Mrs. Fay Aylsworth, a fellow teacher:

Madam President, fellow members especially our guests of honour: It is my pleasure to speak to you this afternoon of one of our fellow associates who is leaving our ranks this year.

A few years ago there were born two daughters to Mr. and Mrs. White originally farmers, then later owners of a Bake and Grocery Shop in a little place called Brooklin, near Whitby, Ontario. It is one of these girls of this highly regarded couple that I wish to refer.

Throughout her early life she was given a refined education well laced with the frills, music, cooking and sewing which in those days tended to be more remote from many families' interests. It would seem fortunate that this exposure to the better things could be passed on to so many because of her choice of vocation. She attended Peterborough Normal School in 1928.

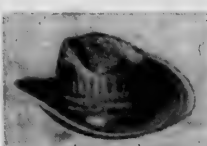

Mrs. Margaret Louise Derry

Mrs. Derry has always been energetic and ambitious for her family and her students always striving for the best from them. Her academic standards were always high but she seemed dissatisfied with less than perfection in the acquisition of social graces. This latter intangible perhaps has made her position more taxing but those of us who may have had children initiated into their school life through this kind of tutelage would like her now to realize as I do how much her endeavours have been appreciated.

of you on her Federation activities I am less informed than most but her interest in this organization manifests itself in the fact that she was always in attendance and many times in an official capacity.

Mrs. Derry we trust that your continued interest in children will find outlet happily within your family of grandchildren, nieces and nephews and that your church and lodge work interspersed with a bit of travelling which we know to be your hobbies will be most enjoyable.

It must be gratifying Mrs. Derry to be entering your retirement in a state of health which appears to be quite robust. We hope that when you are rested and relieved of school responsibilities that you will be able to resume your gardening and housekeeping of the fine home in which you have lived for over thirty years. Ladies, our Mrs. Derry has taught in Madoc Public School for 25 years.

With a tip of the hat the local merchants will be greeting their friends and customers this Friday and Saturday during the spectacular sidewalk sale and bargain days. That's right, the Madoc merchants participating in the event can be recognized by their identical straw hats, styled as shown above.

Unbelievable bargains will be offered up and down the main business section and along adjoining streets.

A highlight of the event is a big country and western Jamboree at Hullin's Garage and Farm Supply on Saturday afternoon. Entertainment will include the Western Hayriders featuring Bob Young, John and Marlene McCann and Ter-

mate with his pet monkey. Special guest singers have been engaged to perform, including Roger Snider, Carrian and Cathy McCann and many more! It's reported these are some of the best country singers for miles around. Don't miss this opportunity to see them perform.

The progressive sidewalk and bargain day places to visit are: Joe's Barber Shop, Ray's Sport Shop, Nickle's Jewellery, Wilson's, Canadian Tire Store, Ross Ladies Wear, Madoc Cash and Carry, Hawley Hardware Ltd., Hullin's Garage & Farm Supply, Richard's Restaurant, Devolin Grocery, Pigeon's Radio & T.V., Stickwood's Dry Goods, Johnston's Retail Pharmacy, Beamish Store, Big M's, Embury Builders Supplies and Kincaid Bros. I.G.A.

Watch for the friendly merchants with their wide-brimmed hats and their round-up of values this Friday and Saturday, June 29 and 30.

Alcoholism Topic At Spring Dinner

"Alcoholism is an illness of the whole person. An alcoholic deteriorates physically, morally, mentally, and socially", Ben Garrett, head of the department of addiction studies at the Peterborough Civic Hospital, told those attending last week's Spring Ladies Night in the Kiwanis Centre.

At the head table for the roast beef dinner, which preceded the speaker's talk, were: Ray Burris, President of the Madoc District Chamber of Commerce, his wife Marianne, Peter Ramsay, Don Lowry, President of the Madoc Kiwanis Club, his wife Verna, Rev. Garrett and Ross and Carol Ann Clark. Over 60 guests were present.

Immediately after the meal, Mr. Ray Burris introduced Peter Ramsay, who has brought great honor to this area by being chosen to receive a Citizenship Medal for Ontario.

The guest speaker's presentation was, for the most part, a question-answer period, during which many interesting points were brought up.

Mr. Garrett gave the shocking statistics that in one out of every 15 homes there is a person addicted to alcohol. He defined alcoholism as, "When the tail wags the dog", and explained, "When the use of a substance goes beyond control and becomes a compulsion." He emphasized that it's the human use of alcohol and drugs that destroy, because most drugs are made for the purpose of restoring humans to productivity. "To become dependent on a 'thing' cuts out all normal life and association with other

humans", he said. Although Mr. Garrett personally believes that for many people their first drink was an alcoholic drink, he said that one reason alcoholism is so common is that there is no way of testing to find out who would become an alcoholic and who would not. It's a progressive illness often taking a good twenty years to develop. From his own personal observations, Mr. Garrett says research has disclosed no common factor among the addicted. "It's a peculiar phenomenon with a culminating characteristic."

Having had five years experience working in alcoholism recovery houses, he has observed that the chronic alcoholic needs to be given hope first of all — to realize that they must have something other than a medical cure. Once the hope is established, the alcoholic must want the change if he's sure there is hope of change. The third important step is for them to be able to talk their problem over in the light of the life they might have if they could overcome their problem. He reported that the alcoholic's average stay in a recovery house is 75 days.

Although research hasn't come up with any pat answers, it is felt that today's tense society is a major contributor to the number of alcoholics: "drink is often used as a tranquilizer."

Alcoholism is a progressive disease, which often reaches its climax when the person is between 35 and 45 years of age.

(Continued on page 5)

New Camping Area Opening This Weekend

Campkin's Camp Inn, the tent and trailer family camp grounds on the Quin-mo-lac road just two miles south of here will be opening up this July first weekend.

Owner, Jamie Campkin told the Review that although they are not quite ready they are going to open anyway.

The tent and trailer sites are located in a natural setting just minutes from their private lake, which has been kept in a natural state. Fishing for pike, bass and an assortment of pan fish is offered in the lake.

Purchased House

Mr. and Mrs. Bert Jones of Stirling recently purchased the lovely home of Mr. and Mrs. George Lake at 39 St. Peter Street.

Mr. and Mrs. Jones are the new owners of the garage and car sales business on Russell Street, formerly owned by Charles M. Derry. They expect to take possession by August 15, 1973.

Swimming Instructions Scheduled

This year the Madoc Recreation Committee has the opportunity of offering swimming lessons from Tadpoles (approx. 4 years of age) to the Junior level. The lessons will take place beside Mr. T. C. Barton's residence along the creek.

Head instructor will be Ellen Gellie assisted by Janet Milne, both from Marmora.

Lessons during the five weeks, July 9th thru August 10th, will be three-quarters of an hour in length, Monday through Friday.

Parents are requested to bring their children, if they have registered or if they wish to, one day from July 3rd thru 6th for screening, so that lesson schedules may be set up.

Classes will be underway from 9:00 a.m. to 12:00, and from 1:00 p.m. to approximately 3:00. There will be supervised swimming from 3 to 5 each week day. Supervised swimming will be at the ball park swim area on weekends from 2:00 - 5:00 p.m.

As of June 28th, 50 registration forms have been received. Parents are reminded that 75 per cent attendance should be attained throughout the duration of the course, and that, owing to the number of children coming to and from the swim area, the co-operation and assistance of both the children and the parents is required to assure the safety of everyone at the swim area.

There will be no free swimming in mornings during the weekdays, due to lessons being held at this time.

Children six and under must be accompanied by a parent or authorized sitter.

We hope for your co-operation and assistance throughout the summer program.

Anyone wishing to register children, bring them to swimming area July 3rd, between 9:00 and 11:00 a.m.

TRAP NEWS

The Trap Shooters from the Madoc Hunters & Anglers came up with some very good scores this week (out of a total of 25 birds).

Harry Dennis Sr. 25, Mike Quinn Sr. 24, Mike Quinn Jr. 24, John Mitchell 22 and Joe Quinn 21.

The inter club shoot will be held at Belleville on July 8th and at Madoc on August 12th. There will be shooters from Picton, Peterborough, Cobourg and Belleville.

was much enjoyed. The Madoc Club's contribution to the program was mouth organ music played by Mr. Bundy, who also accompanied his brother and sisters in a step dance. Also, our own Hawaiian girl, Hilda, complete with grass skirt and lei, did a native dance to the delight of the spectators.

The guests enjoyed tours through the O'Hara House, the Schoolhouse and the Shingle Mill.

The Madoc and District Senior Citizens would like to extend a sincere thank-you to the Moira River Conservation Authority for their invitation, to the Anglican ladies for serving such a lovely lunch and especially to Mr. Mel Caverly, who so kindly provided transportation to and from the grounds.

Following the picnic, the local club held a short business period in the United Church basement. Plans were made for a bus trip to Kingston on June 27th. Members are to bring their own lunches. A bus will be leaving from the United Church at 9:00 a.m.

A number of the senior citizens have volunteered to look after the information booth during the summer months.

The next regular meeting will be held July 4th at the United Church basement. Hosts for this meeting are: Mr. James Luffin, Mr. Roy McAdam, Mr. Blake, Mr. Ed Gates, Mr. Jim Burns, Mr. Jim Rollins, and Mr. Alvin Devolin. The lunch is to consist of tea and doughnuts. Each gentleman is asked to bring one dozen doughnuts.

Come and enjoy an afternoon of fun and games.

Peace Park Annual Day, July 14

"On Saturday, July 14th, the Lester B. Pearson will hold its 7th Annual Community Day, at the park on No. 7 Highway, near Tweed and Madoc, Ontario," according to Roy Cadwell, Chairman.

Activities in the form of a July Festival will commence at 10 a.m. and continue to 5 p.m. There will be entertainment and dancing as well as an Arts and Crafts Hobby Show with all kinds of things to buy produced by local artists and craftsmen. There will also be a flea market and rock band displays. For space reservations, (Continued on page 5)

Anglican Church Celebrates Its 108th Anniversary

On its patron Saints Day, St. John the Baptist Anglican Church, Madoc, celebrated its 108th Church Anniversary. The stone church built in 1865 from a quarry north of the Village welcomed as its guest a past Rector of 1946-49, the Rev. A. W. Smith. Mr. Smith spoke on his ministry here and of the change from country to city life. He had been Rector of a Montreal downtown city church. He is now retired and living in Foxboro. Mrs. Daisy Vinnicombe, a past parishioner and now living in Toronto was among the congregation, also Mrs. Thelma Judge just re-

turned back on furlough from Nigeria, Africa. Rev. A. W. Smith conducted the service while the Rector, Rev. J. H. Thompson gave the address, his theme being, "The role of the Preacher and the People." Following the service everyone enjoyed a piece of the anniversary cake and refreshments and also a time of fellowship with Rev. and Mrs. Smith. Flowers on the Communion table were in memory of the late Church warden, Mr. Ted Naylor. Other flowers were in memory of past parishioners who had worshipped in St. John's.

Senior Citizens Week was highlighted with the annual picnic sponsored by the Moira River Conservation Authority at O'Hara's Mill last Wednesday.

THEY REALLY DO LOVE ME A LITTLE

(by Bill Smiley)

This year, as I mentioned previously, my wife taught English in a private school. It was her first crack at teaching, aside from kindergarten and music, and she taught a Grade 13 class, so it was no cinch. She worked hard at it.

But the strain on me was something else. Every day when I got home from teaching 150 students, I had to endure a two-hour monologue about her "kids" and what they'd said and done today. Once in a while I'd try to get in a word or phrase about what my "kids" had said and done, but it was like trying to stop Secretariat, in full gallop, with a piece of thread.

At the first of the year, she was worried about a few of them, who gave promise of becoming recalcitrant. But by sheer charm, and her innate interest in other people, she was able to establish a close and friendly relationship with every single one of her huge class of 150.

By the time the last day of school came around, she was almost in tears as she realized she'd probably never see any of them again, or only as comparative strangers.

This is something that happens to most teachers who really like youngsters, especially when it's a graduating class. There is generally a mutual warmth on the last day of school. The students suddenly realize that it's their last day of high school, surely one of the happiest times of their life. The teacher suddenly realizes that this is the last day, that he's made it once again without going around the bend, and that this is a pretty good lot of kids.

Some of the youngsters are actually scared when it comes upon them that another umbilical cord has been cut and the great big hard world is waiting to swallow them. Occasionally there are tears.

One young lady wanted to know, as she wept, "How did you feel when you left high school?" She obviously meant that she was almost heart-broken. But she received the realistic answer, "Great. It was the happiest day of my life."

At any rate, the last day of school usually produces a feeling of fondness and exchanges of, "Have a good summer, sir." And the response, "Will do. You too. See you in the fall." Or, if they're graduating, "Come and see us when you're home from college." They usually do. Once.

Of course, the longer you teach, the tougher you get. In my first couple of years, over a decade ago, I was almost stunned by the good will on closing day. The class president would advance to the front, watched by 35 hawklike pair of eyes, each pair of which had kicked in a quarter, and, after a shy, unintelligible mumble, present me with a handsomely-wrapped gift.

Now, when the kids are choosing their class president, at the beginning of the year, I assure the reluctant nominees that "There's nothing much to the job, except to collect the money for my Christmas and end-of-year gifts." It shakes them a bit, but it pays off.

Over the years, I've been the recipient of dozens of golf balls, a bottle of good wine, a smart desk set, a lawn chair, and shelves full of fancy shaving lotion and exotic talc and stuff I never use.

This year, I didn't have a home form. No present. But I got a pleasant surprise. Last class I had with my four-year Grade 11, a group I would have considered least likely to do it, they kicked through.

Mariene came up and said, "Mr. Smiley, this is for you, for being such a nice teacher." Not a good teacher, mind. Just a nice one. And speaking of nice, it was one of the simplest and nicest speeches I have ever heard.

Half suspecting a practical joke, for this was a group I'd tangled with in the fall, I opened it, standing well back. No joke. There was a handsome little book of inspirational poems and prayers. I thought this might be a pointed suggestion that I needed both, and was still slightly wary.

Then I opened the other package. It contained an eternal match. This is a fancy type of cigarette lighter. You pull a sort of stick out of a little round barrel, it strikes a flint, and you have a long match-like light. It would be great for a pipe-smoker.

Unfortunately, it wouldn't work when I tried it. Typically, Mariene had tried it thoroughly before wrapping it, so thoroughly that she'd used all the fuel. She tried to get it going for me, and was greeted with hoots of derision when she couldn't.

However, the thought was there, and they yelled at me that I could take it back to the store.

A small thing, in their busy lives and mine. But it's warming to know that somebody out there loves you a little bit, even though you are a teacher, and is willing to ante up a dime or even a quarter to prove it.

I'd rather have that, once a year, than a gold watch and a stupid scroll at the end of twenty-five years.

During the past week (from June 15-22, 1973), there has been one personal injury and \$1,530.00 property damages resulting from ten motor vehicle collisions.

An auto stolen from Port Hope, Ontario was recovered in our area on the 17th of this month. The 16-year-old male subject who was in possession of this vehicle at the time, was arrested and is being charged with "Possession of Stolen Property" by the Port Hope Police Department.

Two suspicious persons were reported to have been seen in the townships of Madoc and Elizavir.

On June 22nd two juvenile boys aged 12 and 13 years were apprehended by an officer from this detachment. They had run away from their homes in Oshawa, Ontario on June 21st, 1973.

Two thefts reported resulted in theft of a chain block and a boat with approximate value of \$165.00.

Four Liquor Control Act charges resulted from a raid on an area residence. The charges were: "Keep Liquor for Sale", "Minor Consuming Liquor", "Have Liquor Unlawfully Purchased" and "Unlawfully Sell Liquor".

Other liquor violations: Impaired Drivers - 1; "Having Liquor in a Place other than Residence" - 6; General occurrences consisted of a prowler complaint, malicious damage, disturbances and property checks.

R. N. Dowe, Sgt.

ELDORADO

The Eldorado and Bannockburn W.I. members and friends enjoyed a bus trip to Belleville and toured Corby's, Deacon Shirt and Brook Bond on Wednesday of last week.

Mr. and Mrs. Brian McBride and son of Renfrew were last weekend guests of Mr. and Mrs. Ivan Sine.

Mr. and Mrs. Ralph Wagar of Washington, Michigan, U.S.A. were last Friday dinner guests of Mr. and Mrs. Melvin Johnson and supper guests of Mr. and Mrs. Lee Johnson and family.

Several members of the community attended the Senior Citizens Picnic at O'Hara's Mill on Wednesday.

Mr. and Mrs. "Bud" Johnson of Peterborough spent the weekend with Mr. and Mrs. Melvin Johnson.

Mr. and Mrs. Angus Johnston of Frankford and Mrs. Ivan Sine spent Sunday at Renfrew with Mr. and Mrs. Brian McBride and son.

Mrs. Harley Blackburn, Mark, Lorie and Lynn spent Tuesday with Mr. and Mrs. Elmer Cotten of Harold.

Guests of Mr. and Mrs. Jack Andrews were Mr. and Mrs. Ben Terry. A good time was enjoyed by all.

Mrs. Hugh McIntosh was hostess for the meeting held on June 21st. Mrs. John Bailey presided and welcomed the ten members and two visitors present.

Hymn 295, "The Church's One Foundation" was sung followed by the Scripture Lesson taken from Philippians 1: (3-5) (9-11).

The president gave the highlights of the visit of Mrs. Ghandi, Prime Minister of India, to Canada. It was also noted that one of our missionaries, Miss Margaret Kennedy is serving as Executive Secretary for the Women of North India.

Prayer was offered by Mrs. Hawkes to close the devotional period.

During the business portion of the meeting, a letter was read from the Supply Secretary. A letter from Mrs. Harry Stout, reporting on the Spring Rally at Sandhill, was also read by Mrs. David Blakely.

Hymn 74, "O God, Our Help In Age Past" was sung.

The program convener, Mrs. Oria Reid presented the topic on India, "Culture and A Way of Sharing". From a book written in 1904 she gave an interesting comparison of the conditions then with the present time. Thirty percent of the people are literate and seventy percent of the population is reached by newspapers. There is advancement in communication through the radio and television. Hopefully, through this new communication Christianity may be helped and development in India may continue to progress.

The meeting closed with the singing of "Blest be the tie that binds" and repeating the Lord's Prayer in unison.

Since three members celebrated their birthdays in June, a special lunch was served and a time of fellowship was enjoyed.

A WONDERFUL SIGHT

(By Manley Baumhour)

When I was about 18 years of age I got a job with the Wilberforce Lumber Company. That little camp is along the railway track of the IRCO that used to be there, but now the rails have been lifted and the track is there no more. The town of Wilberforce is about 25 miles west of Bancroft and the company I worked for was peeling the bark off the hemlock trees, as the bark was very useful. In those days the bark had to be peeled and dried and then it was piled up in cord piles until winter. It was later driven to the railroad to be shipped to its destination. My father, Eliza Baumhour and myself were working in one gang and the foreman's name was Charlie McMann. He used to live in the town of Wilberforce and he was running the camp I worked in.

One day while looking for some more timber for us to cut, he ran into a bunch of moose. There was the old bull moose, and a cow and her calf. He didn't go close for there was danger, so he turned his canoe around and came out to where we were and told us about what he saw.

And, when he went to the camp for supper, he told the gang about what he had seen. They all wanted to go after supper to see the moose, so the boss said that he would go with the men to see them. Neither me nor my father went with them because we had axes to grind and wished to get them done before it became dark, but they told us all about the

sight they had seen when they returned. They said that they didn't go close to them, but that they started for the lake the old bull moose stayed behind and let the cow and calf go ahead and when they came to the lake, the men stayed back. I have forgotten the name of the lake that they went to, but the old bull moose just waded out until the water came up to his knees, and then he waited there until the cow and calf got a fair distance out in the lake. Then he started for the island. There, the cow and the calf were in safekeeping. That night the men took a rifle with them for safety. There was about 25 or 30 men that went to see the sight with the foreman. The camp was about four miles west of Wilberforce.

O.P.P. OFFICER

PROV. CONST. R. V. BONTAR

Provincial Constable R. V. (Robert) Bontar joined the Ontario Provincial Police in June 1966. After attending an orientation course in Toronto, Robert was posted to Madoc Detachment. In 1968 he was a graduate of the Law Enforcement course at Ontario Police College in Aylmer. He has attended further courses in Marine Patrol and among his other duties he is assigned to the Detachment Skiff.

Prior to joining the force, Robert spent four years as a production operator with DuPont of Canada, Kingston Works, and prior to that spent two years as a heavy equipment operator at Cooksville, Ontario.

Robert is married with three children, he is a member of the Marmora Masonic Lodge and a Peoples Warden at Madoc Anglican Church. Among his interests are Curling, Snowmobiling, Hockey, Fishing and Boating.

CARDS OF THANKS

While a patient in St. Joseph's Hospital There were prayers, mamas, cards, gifts, letters and flowers. Besides the beautiful help at home.

From people everywhere My mother, brothers, sisters, cousins, neighbours, friends, principal, pupils, staff, clubs, organizations, business people, priests, ministers, doctors, nurses

People from every walk of life. That gave me so many things so intangible and dear. I couldn't begin to count them all or even make them clear. I only know I owe so much to people everywhere

And when I put my thoughts in verse it's just a way to share The musings of a thankful heart.

The best tokens of love and friendship that I can give each of you are... prayers. Mrs. Catherine Lahey.

I wish to thank the Madoc Fire Department for their promptness and effort to save my home on Moira Lake, June 10th, and I thank God they were able to save the other cottages and homes near me. Mrs. Amelia Campbell. 26-1

I would like to take this opportunity to express my sincere thanks to friends, neighbours and relatives who sent me cards, gifts and treats and visited me while I was a patient in Belleville General Hospital and since returning home. Audrey Johnston.

The family of the late Jack Sargent would like to express a sincere thanks to the Remington neighbours and all the friends who were so thoughtful at the time of our bereavement.

IN MEMORIAM

ANDREWS — In loving memory of a dear Mother, Mary Andrews, who passed away June 24, 1972.

In our hearts your memory lingers Sweetly tender, fond and true. There is not a day, dear Mother, That we do not think of you. Ever remembered by Jack and Eunice. 28-19

ROSE — In loving memory of our dear loved one, Nelson Earl, who passed away five years ago June 28th, 1968. We do not need a special day. To bring you to our minds. The days we do not think of you are very hard to find. You left us quickly your thoughts unknown. But you left us memories. We are proud to own. So treasure him Lord in your garden of rest. For when on earth he was one of the best. Sadly missed but always remembered by the family.

FRIENDLY HINTS

UREA CAN SAVE YOU MONEY

Economics will dictate that urea as a feed ingredient will have to receive a greater level of acceptance than is presently the case in Ontario, says Dave Pelletier, United Co-operatives of Ontario's feed merchandising manager.

Over the years, there has been much controversy over urea feeding. It has been blamed for such things as mastitis, milk fever, breeding problems, etc. None of these problems have been proved to be associated with urea feeding. When used at proper levels, urea can be fed with confidence and should definitely be considered by all dairymen in view of the world shortage of vegetable protein.

The timing, however, is not right to make a radical change. Urea is only utilized well by the dairy cow when fed along with feeds that are high in energy, such as rations containing high levels of grain corn and barley.

Many cattle are already on grass. Pastures are low in energy but high in protein; so there is less need for high protein rations as the cattle will satisfy the major portion of their protein needs from the pasture. For this reason dairymen would be sensible to continue feeding a supplement that derives about half its protein from urea and the balance from vegetable protein. A 35 per cent supplement or a 32 per cent supplement when used at 300 to 400 lbs. per ton of complete grain ration would be the most ideal.

TV COMMERCIALS

CBC President Laurent Picard

announced that the Corporation

will remove all commercials

from programs aimed primarily

at children.

The move has been highly

praised by the public, school

associations, and community

associations — "commercials

should have been removed from

children's television shows sooner

— "a break-through for children."

EXPORTS UP

Exports of Canadian goods

rose to \$7.4 billion during the

first quarter of the year, as

compared with \$5.8 billion for

the same period a year ago. An

increase of almost 25 per cent

in sales to the United States

accounted for much of the

boost.

FINAL OFFER TO IMMIGRANTS

Manpower and Immigration

Minister Robert Andras intro-

duced a bill in the House of

Commons offering illegal immi-

grants a final opportunity to

apply for landed immigrant

status without penalty. Those

who do not come forward will

be deported without any right

of appeal.

The bill will also expand the

Immigration Appeal Board and

will help eliminate existing

- * Loader Rentals
- * Backhoe Rentals
- * Bulldozing
- * Sand and Gravel
- * Fill
- * Top Soil
- * Crushed Stone for Weeping - beds
- * Fence Removal

Madoc Women's Institute

The June meeting of the Madoc Women's Institute was held at the cottage of Mrs. Clarence Farrow and started off with a wonderful pot luck dinner which all enjoyed very much on a cool damp day.

The president, Mrs. Delbert Carman welcomed seventeen members, two visitors and two children. The minutes were read by the new secretary, Miss Ada Adams. Mrs. Carman reported on the W.I. Convention that was held in Trinity United Church and also discussed a bus trip to the Eriand Lee Home to be in the fall.

Mrs. Bailey gave a Canadian consumers report on the origin of the vacuum cleaner and how to purchase water skis.

The next meeting in September will be on Canadian Industries. The roll call will be a Canadian Industrial site you have visited or toured.

Mrs. Reta Allure, retiring Secretary was presented with a gift and the meeting was turned over to Mrs. Franka, convenor for resolutions who spoke about some of the consumers complaints that could go into resolutions such as the Bell Telephone and Hydro increasing their rates, the rise in food costs, the ban on firecrackers not being forcibly in effect and labels not stating the added ingredients to some processed meats.

When the roll call was taken some complaints were: not enough dust layer on roads and it not being applied early enough; the cleaners not doing a good job on some clothes and the poor quality of some children's clothes.

After the meeting all members had their picture taken and journeyed safely back home.

Who Runs Our L. & A. Education System

In a letter from Thomas L. Wells, Minister of Education, he states that he is now prepared to make a recommendation that the General Legislative Grants Regulation be amended to provide additional financial assistance in 1973 to boards which face unusual operating expenses associated with very small secondary schools.

Dr. W. J. Nuttall, in an interview states, "I think this is a major break. I feel sure that the recommendation will be such as to supply additional teaching options they (N.A.E.C.) had in 1972."

In answer to this, Mr. J. C. McLeod, Director of Education of Lennox and Addington, has suggested that no action be taken on this matter at the present time.

Does this mean the Lennox and Addington Director of Education intends to ignore directives (grant offers) from the Ministry of Education to suit his own purpose?

(Submitted by J.A.F.)

Confirmation Service At United Churches

On Sunday, June 24th, fourteen young persons were confirmed in the congregations of the Queensboro-Eldorado Pastoral Charge of the United Church.

At Eldorado United Church, two persons, Lloyd Blackburn and Samuel Walker were confirmed.

Those confirmed at St. Andrew's were: Brian Campbell, Gene Cassidy, Cathy Devolin, Connie Gordon, Herbert Holgate, Sandra Holgate, Sherry Holgate, Ronald Holmes, Lamona Howard, Paul Rollins, Allen Roushorm and Terrance Sexsmith.

Special singing with guitar accompaniment was provided at both services by a group of young people from Tweed under the direction of Miss Katherine Burnside.

TOPS NEWS ON 1146

Eleven members and five children were present at the June 20th meeting of Tops Club.

Margaret Foster and Sandra Bronson each received a rose for having lost two pounds. The total loss for the month of May was 42 pounds. Gladys Pattison was Queen for the month. Winner of the contest was Sandra Bronson.

COOPER

Mr. and Mrs. Alex Clarke and Lawrence spent last weekend with Mr. and Mrs. Chas. Scalotta, Brighton and called on Mrs. Archie McKinnon, Trenton. This past weekend they spent the weekend with Mr. and Mrs. Boyd Walker and family, Gunters.

Mrs. Frank Parks spent last Thursday and Friday at Mr. Fred Fleming's cottage at Coe Hill.

Miss Judy In't Veld left by train on Friday to spend the summer months with her sister and family, Mr. and Mrs. Ed. Pavelling of Shiloh, Manitoba.

Little Miss Celestine Holmes, Gananoque spent the weekend with her grandparents, Mr. and Mrs. Gordon Holmes.

Miss Bonnie Holmes, Belleville and Mr. Bruce Ankey, Oshawa were visitors of Mr. and Mrs. Gordon Holmes over the weekend.

Mrs. Cor. In't Veld was a Sunday visitor of Mrs. John Howard, Hazzard's Corners.

Mr. and Mrs. Kenneth Goldberg, Pembroke, Mr. Edward Keller, Hardwood Lake were visitors of Mr. and Mrs. Fred Stein over the weekend.

Mr. and Mrs. Roy Rollins and Miss Janice Rollins, Queensboro were Sunday supper visitors of Mr. and Mrs. Rex Rollins.

Mrs. Bill Matthews was hostess to a tupperware party on Tuesday evening.

Master Danny Blackburn, R.R. 5, Madoc spent a few days last week with Mr. and Mrs. Lynn Holmes and family.

HUNTINGDON TOWNSHIP COUNCIL MINUTES

A regular meeting of the Huntingdon Township Council was held at the Township Hall on June 14th, 1973, at the hour of 8:00 p.m. with all members present.

The minutes of the previous meetings had been circulated by mail.

Arthur Miller — Harold Thompson — that the minutes of the meetings held May 10th, May 17th and June 7th be adopted as circulated. carried.

Mr. Lennie Phillips, representative of Niagara Chemicals, discussed with Council additional equipment that could be attached to the new roadside sprayer.

Thompson — Ted Pollock — that the Township of Huntingdon purchase bi-fluid power and conversion equipment in

addition to the sprayer from Niagara Chemicals providing the cost does not exceed \$550.00. carried.

Mr. Pat Bradley, Building Inspector, reported to Council regarding building permits issued to date.

The Hastings County Land Division Committee Applications were presented for Council's consideration.

Miller — Thompson — that Council recommend consent be given to the following applications to the Hastings County Land Division Committee: No. B194/73 Glen Elliott, Pt. Lot 7, Conc. 3, No. B196/73 Glen Elliott, Pt. Lot 7, Conc. 3, No. B196/73 Glen Elliott, Pt. Lot 7, Conc. 3, No. B197/73 Glen Elliott, Pt. Lot 6, Conc. 3, No. B198/73 Ian & Colleen MacLean,

Pt. Lot 8, Conc. 3, No. B214/73 Carl Reynolds, Pt. Lot 7, Conc. 12. carried.

Mr. Elvin Holland presented Road Account No. 5 for approval of payment.

Glenn Franks — Pollock — that Road Voucher No. 5 in the amount of \$6,110.07 be approved for payment. carried.

Mr. Ken Tompkins, Township Road Superintendent, reported to Council.

Mr. Chas. Irvine met with Council regarding matters of the Tax Roll and Dog Licences.

Mrs. Chas. Irvine, President of the Ivanhoe Women's Institute, requested that Council consider providing water in the Township Hall. Council advised Mrs. Irvine that the matter has been under consideration and would look into the matter.

Pollock — Franks — that the Township of Huntingdon ratify a Fire Agreement with the Village of Tweed. carried.

Miller — Thompson — that Progress Billing No. 2 to R. M. Kostuch Associates in the amount of \$396.59 be paid as well as the balance of Wiegner De Jong Progress Payment No. 4 in the amount of \$236.89. carried.

The correspondence was received and filed.

Pollock — Franks — that the general accounts in the amount of \$2,058.52 be approved for payment. carried.

Thompson — Miller — that Council adjourn and the next regular meeting be held July 12th, 1973. carried.

Dorothy F. Thompson Clerk-Treasurer.

50 YEARS AGO
June 27, 1923
Communication — To the Editor of the Review: In reply to the communication of Blanche M. Frank I would like to say that L.O.M. No. 1070 bought the old Methodist Church in 1913 from the trustees and treasurer of that board, and they paid in full to the last cent. The members among themselves agreed to allow it to be used for church and funeral services. It was exempted from taxes as is the Foresters' Hall at Gilmour, and it has been used by any Protestant religion ever since. The Free Methodist used it for six or eight weeks in 1921 free of rent. Then the Methodist Minister asked to have service in it for one month and it was granted on condition that they furnish their own wood and oil and help keep it clean. The Anglican Church had service in it once as they were painting their Church. The Methodists next wanted an organ put in the hall and it was put in on certain conditions. Still the organ didn't satisfy them and they wanted to tear out the arch in the Hall for a picture show but the W. M. would not give the key for any such purpose and then they wanted the key for Sunday School and the W. M. gave it to them until the next Lodge meeting when the members could decide then whether they could have Hall for Sunday School purposes or not. During this time one of the Lodge members drove past the Hall on Sunday, May 18th, 1923, and the door was open and the children were running in and out three-quarters of an hour before the teachers came, and I will take his word before that of the previous writer. I will leave it to the Public whether we have obtained any privileges. If this young writer would not make such dirty remarks. We do not wish to do anything that isn't honest and we won't be dominated by outsiders. As we paid for our rights and have a clear deed of any incumbrance. If it is a Union Sunday School let it be held in the Anglican Church as that is the place for it and not the Orange Hall. A Member of Lodge.

Once more the Conservatives have triumphed in the Province of Ontario, and the Hon. G. Howard Ferguson, the new Premier, will enter office with

a clear working majority over all the other groups in the Legislature. Premier Drury was swept from office by an avalanche which overwhelmed five of his Cabinet Ministers, and he was permitted to remain in private life himself after his strenuous four years of power. Shortly after the close of the polls an electrical storm and hurricane visited Ontario, and as though symbolic of the fate of the Farmer Government, it played havoc with the telegraph and telephone communications everywhere. In consequence, it has been unusually difficult to secure returns of the more remote constituencies, but the standing of the parties in the next Legislature is conceded to be about as follows: Conservatives, 77; Liberals, 15; United Farmers, 10; and Others, 4.

24 YEARS AGO
June 30, 1949
Among the successful students from Madoc attending the University of Toronto this year are: Miss Jane Symon, who received second class honors in second year Modern History and Modern Languages; Miss Moira Watson, who received second class honors in second year Sociology; Miss Anne Nickle, who received third class honors in first year of Social and Philosophical Studies.

Three men and an eight-year-old boy narrowly escaped death Wednesday, June 22nd, when an explosion in the airplane in which they were passengers plunged them into Pelee Lake, north of Bancroft. C. E. Stringer, I. R. Stringer, Bancroft businessman, pilot Ed Lawson, and an unnamed eight-year-old boy, were taking off from Pelee Lake, when the explosion occurred cutting off the motor. Pilot Lawson managed to set the plane down on the water and keep it floating just long enough for the four persons to get out and start swimming. After twenty-five minutes in the water the Stringer brothers managed to assist the young lad, a non-swimmer, to shore. The men were stranded for 12 hours. In addition to the loss of the Seabee aircraft which was owned by Smokey Beebe, the men lost more than \$300 worth of fishing tackle and personal belongings.

June Report of Hart's School B. S. No. 3, Madoc — Names are in order of merit. High

School Entrance: Margaret Franks (passed by Entrance Board without writing). From Grade 7 to Grade 8 — Marilyn Fleming 84, Cora Baker 85, Barbara Blakely 88. From Grade 5 to Grade 6 — Margaret Anne McCaffrey 84, Lorraine Fleming 81, David Franks 80, Mary Stout 79, Barbara Baker 73, Donald Vance 72, Gladys Vance 67, Beverly Baker 61. From Grade 4 to Grade 5 — Gail Baker 70, Rose Blakely 77, Vance 75. From Grade 3 to Grade 4 — Leona Sherrow 82. From Grade 2 to Grade 3 — Billy Baker, Donald Sherrow 75. From Grade 1 to Grade 2 — Hazel Blakely 83, Vada Reynolds 82, Raymond Vance 75, Eileen Marsh 83. Grade 1 (Beginners at Easter) — Winston Baker, Margaret Feeney, Harvey Mouch, Wanda Sherrow. Mrs. Alesha Woods, Teacher.

Fair Exchange — Two men went out hunting with their wives one day. During the morning, one of the hunters thought he saw a deer behind a clump of bushes and took a shot at it. The other fellow appeared and shouted, "Hey, what's the idea? You nearly shot my wife." The first hunter then replied, "I'm so sorry," and handing his friend his gun, he pointed at his own wife and said, "Here, take a shot at mine."

Fire razed the main buildings of the Peterborough Block Supply Monday night. Damage is estimated by the co-owners Jack Buchanan and Leo Mountney at between \$10,000 and \$15,000. Fire chief George Smith said the origin of the fire is unknown.

Dr. E. Eagleson, who is celebrating the anniversary of his fiftieth year of the practice of medicine in the Village of Madoc, will be "At Home" to his friends, at the home of Mrs. Russell Lewis, on Friday evening, July 1st, from 7 to 10 p.m.

Births — Mr. and Mrs. Elliott Burris are happy to announce the birth of a daughter, in Belleville General Hospital, on June 28th.

Mr. and Mrs. W. R. Miller (nee Edith Miller) are happy to announce the birth of their daughter, Euphemia Ann, June 3, 1949, at Perth Memorial Hospital.

15 YEARS AGO
July 10, 1938
A museum constructed of native stone, and designed by Watson and Wiegand, Belleville architects, will be constructed on the Price Conservation Area at Actinolite. Plans were ratified by members of the museum provisional advisory board at a meeting at West Wind Motel recently. Paul Wiegand, Michael Chubb and Warden Lloyd Price, were named a committee to map out the area for the structure. A brochure covering plans and aims of the museum board will be prepared for distribution in October.

Congratulations are extended to Mr. Gibson Bailey who celebrated his 83rd birthday on Tuesday, July 8th. Mr. Bailey is still very active.

A pleasant evening was spent when the congregations of Trinity United Church and Union appointments met in the church parlors of Trinity United Church, Madoc, for a farewell party for their pastor, Rev. J. F. and Mrs. Lane. Mr. Lane is retiring and taking up residence at Oakwood, Ontario.

Family good wishes and congratulations from a wide circle of friends in the Eldorado district were received last Tuesday by Mr. and Mrs. J. Milford Stevenson as they celebrated their 50th wedding anniversary. To mark the occasion a family dinner was held at Fox's United Church at Eldorado, while during the afternoon and evening the couple were "at home" to approximately 200 friends who called to extend congratulations. All seven children and 10 of their 11 grandchildren were present at the family dinner to honor the happy couple on their golden anniversary. Mr. and Mrs. Stevenson have lived in Eldorado for the past ten years, giving up their farm in Madoc township at that time. Fourteen years ago they moved from the Crookston farm where they had made their home since their marriage back in 1908. Mr. Stevenson was born at Crookston, while his bride of 50 years, the former Ethel Beatrice Reid, was born at Moira. He is 77, while Mrs. Stevenson is 73. They are members of the Standard Church at Eldorado.

Engagement — Mrs. Bernard Carmack, Eldorado, wishes to

OBITUARY

MRS. JOHN R. WALLACE
Following a brief illness, Mrs. Florence K. Wallace died Monday, June 18th, 1973 at Hastings Manor where she had been a resident for the past six years. She was in her 70th year.

Daughter of the late Mr. and Mrs. John Pettie, she was born in Devonport, England, and lived in Madoc and Huntingdon township before moving to the Manor. She was a member of the Standard Church.

Predeceased by her husband, she is survived only by a sister, Mrs. Beatrice Rowden of Port Hope.

The funeral was held on Wednesday afternoon, June 20th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. L. Hart and Rev. B. Woods.

Bearers were: Bert Wickens, Cecil Holland, Percy Keller, Lealie Blakely, Cecil Ashe and Elvin Holland.

Interment took place in White Lake Cemetery.

CONFERENCE U.C.W. SHARING AND SERVING DAY

St. Andrew's United Church, Marmora, was the setting for a very successful "Sharing and Serving Day" on Wednesday, June 20th. It was convened by the Bay of Quinte Conference U.C.W. Leadership Development Chairman, Mrs. Douglas Redpath, Oshawa. With the exception of one, all Presbyterians were represented.

The ladies were welcomed by the minister, Rev. John Peters. Following the worship service three sharing groups (Leadership Development in Communications; Finance Chairmen & Treasurers; and Programme & Christian & Missionary Educa-

tion) were formed. Informative and enthusiastic discussions ensued. Plans were made to share the information gleaned from this day with the local groups at a later date.

Another outcome of the meeting was the decision to write individual letters to Premier Wm. Davis and the local M.P.P. protesting the validity of Sunday retailing. All United Church Women are urged to support this action by writing such letters.

(Submitted by Belleville Presbyterian U.C.W. Press and Publicity Chairman — Mrs. R. W. Boston, 7 Gearin St., Trenton).

DO YOU LACK THE SKILLS REQUIRED TO BREAK INTO THE CONSTRUCTION INDUSTRY? LOYALIST COLLEGE IS OFFERING A NEW PROGRAM: CONSTRUCTION TRADES HELPER

This is a sixteen week program commencing on a monthly basis from September 1973 through to March, 1974. The program was established to fulfill the demand for skilled workers in the rapidly expanding construction industry. Emphasis will be placed on the practical aspects of construction. The fee for the sixteen week program is \$80.00. Additional costs include text books, tools and safety shoes. For further information contact: The Registrar, Loyalist College, Box 4200, Belleville, Ontario.

R. R. 1, CLOYNE

Miss Theima Scott of Huntsville and Mr. Art Wiles, Oshawa spent the weekend with Mrs. Bill Scott. They motored to Kingston to visit Mr. Bill Scott Sr. who is a patient in Kingston General Hospital.

The dedication of Cloyne Free Methodist Church was held on Sunday, June 17th from 8:00 to 8:40 p.m. Lunch was served in Cloyne Hall. A large crowd attended the dedication. Rev. Orval Thamer preached the evening service.

Visitors at the home of Mr. and Mrs. Richard Mieskie on Father's Day were Mr. and Mrs. Powell Mieskie, Brian Mieskie and Miss Janet Taylor, Mr. and Mrs. Ron Mieskie, all from Ottawa, Mr. and Mrs. Jim Malcolm and family, Mr. and Mrs. Ivan Graham, Joanne and Mrs. Floissie Graham, all of Belleville. Mr. and Mrs. A. J. Ridduck of St. Catharines called on friends on Thursday of last week.

QUEENSBORO W.I. MEET

Mrs. M. Lees was hostess for the June meeting of the Queensboro Branch of the Women's Institute, which was held in the W.I. Hall on Wednesday evening with the President, Mrs. K. Cassidy, in charge.

The meeting was opened with the Ode, Institute Song and Mary Stewart Collect.

The roll call, answered by "Display and Tell About An Article in Your Home That Came From Another Country", showed 15 members and two visitors present.

There was a short business discussion. It was decided to canvass for the Canadian Institute for the Blind again this year.

There was a short discussion on a proposed trip to the Brian Lee Homestead and other points

later in the summer. Several members were interested.

The report of the District Annual held in Madoc was read by Mrs. Arthur Holmes.

Mrs. Roy Rollins read an article on the home life of the author, Maria Campbell, whose real name is June Stiple.

Miss Roberta Sager introduced the guest speaker, Mrs. Robert Hudson, of Madoc, who gave a very interesting talk and also showed a display of pottery and ceramic work, which she and her husband had done. Mrs. Rollins thanked Mrs. Hudson and presented her with a gift.

The meeting closed with the "Queen". Lunch was served by the hostess and her assistants and a social time was enjoyed by everyone.

CNIB HAS MULTIPURPOSE ROLE

Twenty-eight thousand blind men, women, and children in lost their sight through war, Canada today, people who have accident, or disease, look to The Canadian National Institute for the Blind for a wide variety of services.

Educational and vocational assistance, employment training, eye care service, rehabilitation teaching, library and mobility training, recreation and residence facilities, social service and supplementary assistance are provided in many of CNIB's 500 outlets in eight divisions from coast to coast, free of charge.

Seventy-five per cent of its operating funds come from annual appeals and community

cheats. Government grants, bequests, an other special funds provide the rest.

At one time the general public thought that the place for blind people was at home, cared for by members of the family, or an institution having no contact with sighted people. However, with the establishment in 1918 of the CNIB, a non profit organization, blind people of all ages were offered social and economic rehabilitation - an opportunity for a happier and more useful life.

Every year more than 1700 Canadians lose their sight. From the beginning, prevention of blindness and eye research have been just as important as helping blind people. CNIB sponsors eye care and educational clinics all year round in an effort to encourage the sighted to take care of their eyes.

Here is your chance to take care of your eyes. Ontario's first mobile eye care unit will visit Northbrook on July 9, 10 and 11. An eye specialist and trained CNIB personnel will give complete eye examinations to anyone experiencing eye problems. Telephone 336-8888 for further information.

THE HASTINGS COUNTY BOARD OF EDUCATION

A regular meeting of The Hastings County Board of Education was held in the Board Room, 208 Bridge St. East, Belleville, at 7:30 p.m., Monday evening, June 11th, 1973, with 13 members present.

E. Robinson — Mrs. J. Hutchinson — that the minutes of the regular meeting of May 28th, 1973, be approved as presented. carried.

J. Spry — M. Waller — that the Board approve June 20, 1973, as an orientation day for bus drivers who will be operating in North Hastings, effective September 1973, to service the North Hastings Senior Elementary School. carried.

J. Spry — M. Waller — that the Board approve the transfer of a route operated by M. J. Caverly, servicing Centre Hastings Secondary School, to Mr. Burrell Bateman of Madoc. carried.

Mrs. M. Graham — E. Robinson — that the report of the Liaison Committee meeting of June 6th, 1973, be deferred until the regular Board meeting of June 25th, and that further information be presented at that time. carried.

R. Rowe — Mrs. M. Graham — (a) that in the advertisement for public tender, notice shall be given that the Board will consider legitimate requests from municipal, community organizations, etc.; (b) that the interested municipal or other agency, in reply to the notice of tender, be required to submit a formal letter of intended and continuing use; (c) that if the Board considers the request to be a legitimate community service, it will proceed as follows:

(i) obtain two appraisals of property value; (ii) offer the property to the agency concerned for the lower value in funds or equivalency. (e.g. exchange for other property); (d) if the Board wishes the property for possible future use, then every attempt should be made to lease or rent the property to the extent that operating costs are realized. It is not the plan of the Board to operate buildings at a loss, and judgement should be exercised to balance the operating costs with the depreciation losses of leaving the building unoccupied. carried.

R. Rowe — K. Little — that the L'Amable Public School (old) be leased on an annual basis to the Bancroft-Cardiff Kinsmen Club Incorporated, on condition that the lessee assume all operating, maintenance and other costs plus the sum of \$1.00 per year, with the understanding that the lessee would sign an agreement encompassing the conditions of use and that such an agreement can be terminated with due and proper notice. carried.

M. Waller — M. Roberts — that with respect to school excursions which are an extension of the educational program and under the sponsorship of the Board, we refrain from obtaining waiver of liability forms. carried.

Mrs. M. Graham — J. Spry — that the contracts of the present cafeteria caterers be extended to cover the 1973/74 school year. carried.

B. R. Collins — M. Waller — that the Board approve By-Law No. 2/1973 to execute an Agreement with the Board of Governors of the Belleville General Hospital to lease a portion of the Queen Elizabeth Public School site, Belleville, for parking purposes for a period of two years. carried.

Mrs. J. Hutchinson — E. Robinson — that the Board approve By-Law No. 3/1973 to execute a Quit Claim Deed between the Board and Anthony Peter Michener, and Wendy Catherine Michener, with respect to property in Cashel Township as described in a Quit Claim Deed dated 27th April, 1973. carried.

B. R. Collins — R. Rowe — that with reference to By-Law No. 4/1973 to execute a Quit Claim Deed between the Board and Jean Wickert (formerly Jean Wheeler, widow of William Peter Henry Wheeler), with respect to property in the Township of Dungannon as described in a Quit Claim Deed dated the 14th of May, 1973, that this item of business be deferred to the next regular meeting of the Board and that further information be presented at that time, including a sketch plan of the property. carried.

J. Forbes — Mrs. M. Graham — that the Board approve By-

Law No. 5/1973 to execute a Deed from the Board to the Corporation of the City of Belleville, with respect to property on Dundas Street in the City of Belleville as described in a Deed dated the 31st of May, 1973. carried.

Mrs. J. Hutchinson — K. Little — that, with respect to Tender No. 3-20 for General Contract Work at Queen Elizabeth Public School in Trenton, the tender be awarded to M. J. Finn Construction Ltd., in the amount of \$37,586.00, based on the past performance of the company and the fact that the price is within the estimate, as recommended by the consultants, Adamson & Dobbin. carried.

E. Robinson — E. Hawley — that with reference to tender No. 3-42, for Exterior Renovations at the North Hastings High School, the contract be awarded to Granolite Co. Ltd., in the amount of \$47,595.00, based on the superiority of the product and as a result of discussions with the consultants, Robert Halsall & Associates. carried.

R. Rowe — J. Spry — that the Board approve the Sketch Plan for the addition at Moira Secondary School, as displayed. carried.

DALE BENSON
Masonry Contractor
PHONE 473-2579

Trustee M. Graham indicated that the group responsible for submitting the report on the organization of the graded office staff should be complimented for the presentation of an extremely legible, clear and concise brief. The secretary was instructed to advise the newly formed organization that the Business Administration Committee of the Board would be very pleased to meet with the group at some future date. E. Robinson — M. Roberts

that the Board resolve into Committee of the Whole to consider the following items of business: Release from Contract, Unpaid Leave of Absence, Maternity Leave (change), Transportation of Students, and Resignation.

B. R. Collins — E. Robinson — that the Board rise and accept the Report of the Committee of the Whole. carried.

Mrs. M. Graham — K. Little — that the meeting adjourn. carried.

THE HASTI-AGRI-GRAM

Published by The Hastings Farm/Service Club in co-operation with the Ontario Ministry of Agriculture and Food. **TREE PLANTING ASSISTANCE**

(By Bill Fasken, Ontario Ministry of Natural Resources, Tweed)

A number of people in this area have already taken advantage of the assistance available under the Woodlands Improvement Act, whereby private landowners may enter into an agreement with the Minister of Natural Resources to plant trees or improve their woodlots. To those who are not aware of this program the following is a brief outline: Landowners having 5 or more acres suitable for planting or Woodlands Improvement qualify for an agreement. Under this agreement, staff of the Ministry of Natural Resources will plant the trees and/or improve the woodlot. This cost to be borne by the Ministry. You as landowner are required to provide the trees for planting, these may be purchased from provincial nurseries at the nominal fee of \$10.00 per thousand.

For a "no strings attached" free inspection of your proper-

ty contact: Ministry of Natural Resources, Metcalfe Street, Tweed, Ontario.

CAPITAL GRANT CHANGES (by W. D. Tipper, Agricultural Representative, Hastings County)

In June of 1967, the Government of Ontario started the Capital Grants program. At that time it was established for a 12-year period and a total of \$129 million was budgeted for this program. In the first three fiscal years the annual amount needed varied from about \$5 million to just over \$7 million. In April of 1971, the program amended providing more flexible choices to the farmer who was eligible and this resulted in a greatly increased use of the program. It in effect tripled the amount of money needed on an annual basis. As a result, 59% of the total money budgeted was used up by the end of March 1973. The remaining 41 per cent has to be spread over the balance of the program which has another 6 years to run.

In order to do this, the Honourable W. A. Stewart, Ontario's Minister of Agriculture and Food, established a policy on the matter on June the 8th. This policy reads in effect:

"During the current fiscal year we will defer any further grant payments until the following fiscal year. The possible exception to this is the section of the program dealing with Farm Water Supplies and Field Enlargement which comes under our ARDA agreement with the Government of Canada.

Therefore, a \$10 million ceiling on Capital Grant expenditures will be applied this year, and we will be imposing a cut-off of payments when that figure is reached. In the event that we find it necessary to defer payments of grants with respect to applications received in this fiscal year, the applicants will be given first priority at the beginning of the new fiscal year.

In planning for the use of Capital Grant money, keep in mind the following points:

1. There is a budget on the amount to be used each year.
2. Every effort will be made to keep the County Offices informed of how the budget stands and whether the grant will be payable in that fiscal year.
3. The policy states that when the limit of the budget has been reached the applications

will be deferred for payment until the next fiscal year and will then be on a "first come first served" basis. As a result, even if the budget has been expended, the applications should be processed so that they are at the top of the list the following year.

In planning the use of Capital Grants on fairly major expenditures, the farmer very often borrows his money from his bank on the basis that a given amount will be repayable in a very short period of time. The important thing now is that the banker should be informed at the time of making arrangements for the loan of whether the grant can still be collected in the current year or whether it may be deferred to the following fiscal year. In other words, it will be a matter of keeping close tab on the situation.

The usual trend is for the volume of Capital Grant money to rapidly increase in the late summer and fall period. It is a point to be watched.

IN THE SUMMER'S SUN OF HASTINGS COUNTY (by Kate Ann Wahl, Home Economist)

The first edition of "The Hasti-Notes" will be published in July! The what? "The Hasti-Notes", a newsletter, has been created for the women and girls of Hastings County. Areas of interest such as food, textiles, clothing and consumer information will be discussed. A mailing list has begun with the I-H Club Members and Women's Institute Members for 1973. However, this is just a beginning. Anyone interested please send your name and address to: "The Hasti-Notes", Box 340, Stirling, Ontario.

An invitation has been extended, and accepted by Miss Deanna Burns, the Consumer Consultant with the Canada Department of Consumer and Corporate Affairs to spend some time in Hastings County. Miss Burns will be at the Stirling Community Centre on Thursday, July 19, 1973 at 8:00 p.m. She will be sharing with us case histories, information, and advice on consumerism. I hope

that you, your families and friends will be graced the time for this evening out together in July.

HASTINGS COUNTY 1973 DAIRY PRINCESS COMPETITION

Percy Reid, Chairman of the Hastings County Milk Committee, has announced that there will be a Dairy Princess Competition in 1973. Their Special Committee to carry out this event has arranged to hold it at Belleville Fair. It will take place on August the 10th dur-

ing the evening and will be tied into the Holstein Day program.

The Chairman notes that since the Committee met they have received several inquiries about the Competition from girls interested in competing. These have been duly recorded. Any other girls interested in taking part in this Competition should write to the Secretary-Treasurer, Mr. Joseph Thompson, R.R. 5, Stirling, Ontario. They can find out the details from him and make formal application.

O.P.P. REPORT

Since June 8th there were 8 motor vehicle collisions reported, resulting in \$5,410.00 damages.

Antiques/Valued at \$825.00 were stolen from a vacant house in Hungerford Township. Property included seven pool beds, one round table and a small organ.

A complaint of a person causing a disturbance in the village of Marmora resulted in a male subject being apprehended and subsequently charged under the Criminal Code of Canada.

An auto reported stolen at 8:45 a.m. on June 10th, 1973 from the village of Marmora was located by the owner near Springbrook. Investigation is continuing.

Two hundred dollars worth of damage resulted from the break and enter of a cottage on Dickey Lake. A large glass window was broken and an

antique rocking chair was maliciously damaged. Two male persons are charged in connection with this occurrence.

A ward of a Rawdon Township couple stole their car and, while being pursued by a police cruiser, lost control causing extensive damage to the vehicle. When the car went off the road the boy fled into the bush where he was finally apprehended by an officer of this detachment. The boy was charged with "Theft" and being incorrigible.

Liquor Violations: Having Liquor in a Place other than residence, 9; intoxicated in a public place, 2.

Sergeant R. N. Dowe.

TOWNSHIP OF HUNTINGDON FINANCIAL STATEMENTS

AT DECEMBER 31, 1972

AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Huntingdon.

We have examined the 1972 financial statements of the Corporation of the Township of Huntingdon. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Huntingdon as at December 31, 1972 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Humpage, Taylor, McDonald & Co.,
Chartered Accountants.

Maria Paula Green
Colorful, fresh vegetables are attractive accessories to a meal, contributing infinite color, texture and flavor combinations. They provide valuable nutrients as well as bulk in the diet. Green and yellow vegetables and tomatoes are good sources of Vitamin A. Green vegetables contribute Vitamin C.
Many fresh vegetables can be eaten in generous amounts even by "weight watchers." Canada Food Guide recommends we eat two daily servings of either yellow or green vegetables besides a serving of potatoes. Eat raw vegetables often and use them as snacks.
Mrs. Green is available to talk "shopping" to groups. Call 259-8632 or write - 125 The Queensway, Toronto, M8Y 1H2.
